PREMIUMS AND PREMIUM RATES

PAYMENT OF PREMIUMS. No coverage provided by this Policy will be in effect until the first premium for such coverage is paid. For coverage to remain in effect, each subsequent premium must be paid on or before its due date. The Group Policyholder is responsible for paying all premiums as they become due. Premiums are payable on or before their due dates at the Company's Group Insurance Service Office. The premium must be paid in U.S. dollars.

PREMIUM RATE CHANGE. The Company may change any premium rate on any of the following dates:

- (1) the date this Policy's terms are changed;
- (2) the date the Company's liability is changed due to a change in federal, state or local law;
- (3) the date the Group Policyholder (or any covered division, subsidiary or affiliated company) relocates, dissolves or merges, or is added to or removed from this Policy;

Unless the Company and the Group Policyholder agree otherwise, the Company will give at least 45 days' advance written notice of any increase in premium rates.

PREMIUM AMOUNT. The amount of premium due on each due date will be the sum of the products obtained by multiplying each rate shown in the Premium Rate Schedule by the amount of insurance to which the rate applies.

Premium adjustments will not be pro-rated daily. Instead, premium will be adjusted as follows.

- (1) When an Insured Person's insurance or increase takes effect, premium will be charged from the monthly due date coinciding with or next following that change.
- (2) When all or part of an Insured Person's insurance terminates, the applicable premium will cease on the monthly due date coinciding with or next following that termination.
- (3) When premiums are paid other than monthly, increases or decreases will result in adjustment from the premium due date coinciding with or next following that change.

The above manner of charging premium is for accounting purposes only. It will not extend coverage beyond a date it would have otherwise terminated. Each premium payment will include any adjustments in past premiums, which are needed due to changes that have not yet been taken into account. If a premium adjustment involves a return of unearned premium, the refund will be limited to the prior 12-month period.

- (3) surviving parent or parents in equal shares; or, if none
- (4) surviving brothers and sisters in equal shares; or, if none
- (5) estate, or in accord with the Facility of Payment section of this Policy.

The amount payable to anyone shown above will be reduced by any amount paid in accord with the Facility of Payment section.

In determining who is to receive payment, the Company may rely upon an affidavit by a member of the class of relatives to receive payment. The Company will make payment based upon the affidavit it has; unless it receives notice of a valid claim by some other person, at its Group Insurance Service Office, before paying the proceeds. Such payment will release the Company from any further obligation for the Insured Person's life insurance benefit.

If an Insured Person's named Beneficiary dies:

- (1) within 15 days of the Insured Person's death; and
- (2) before the Company receives satisfactory proof of the Insured Person's death;

then payment will be made as if the Insured Person had survived that Beneficiary; unless other provisions have been made.

NAMING THE BENEFICIARY. An Insured Person's Beneficiary will be as shown on his or her enrollment card, unless changed. This Policy may replace a group policy providing similar coverages. In that event, the Beneficiary which the Insured Person named under the prior policy will be the Beneficiary under this Policy, until changed.

CHANGING THE BENEFICIARY. Only the Insured Person, or his or her assignee, may change the Beneficiary. A new Beneficiary may be named by filing a written notice of the change with the Company at its Group Insurance Service Office. The change will be effective as of the date it was signed; subject to any action the Company takes before receiving notice of the change.

When applying for a conversion policy under the Conversion Privilege Section, an Insured Person must name a Beneficiary. The Beneficiary named for the conversion policy may be someone other than the person named under this Policy. In that event, the application for the conversion policy will be treated as a written notice of change of Beneficiary.

ASSIGNMENTS

Personal Life Insurance and Accidental Death Insurance may be assigned. The assignments allowed under this Policy are absolute assignments and funeral assignments as described below.

No assignment will be binding on the Company unless and until:

- (1) it is made on a form furnished by the Company;
- (2) the original is completed and filed with the Company at its Group Insurance Service Office;
and
- (3) it is approved by the Company.

The Company and the Group Policyholder do not assume responsibility for the validity or effect of an assignment.

ABSOLUTE ASSIGNMENTS. An Insured Person may make an irrevocable assignment of his or her Personal Life Insurance and Accidental Death Insurance as a gift (with no consideration), providing he or she has the legal capacity and the mental capacity to do so. It may be made to a trust or to one or more of the Insured Person's relatives, their estates, or to a trustee of a trust under which one of the relatives is a beneficiary.

The term "relatives" includes, but is not limited to, an Insured Person's spouse, parents, grandparents, aunts, uncles, siblings, children, adopted children, stepchildren, and grandchildren.

In some states, community property is an established form of ownership that must be considered in making an assignment. If an Insured Person makes an absolute assignment to two or more assignees, such assignees will be joint owners with the right of survivorship between them. An Insured Person should consult with his or her own legal advisor before making an assignment.

Once the assignment has been recorded by the Company, the Insured Person can no longer change the beneficiary and cannot apply for conversion. Only the assignee can change the beneficiary designation if the previous designation is revocable. An assignment will have no effect on a prior irrevocable beneficiary designation. Only the assignee can apply for conversion but only when the Conversion Privilege provision would have been available to the Insured Person in the absence of the assignment under this Policy.

An absolute assignment cannot be used as a collateral assignment.

FUNERAL ASSIGNMENTS. Upon an Insured Person's death, the beneficiary may assign the Personal Life Insurance benefit and Accidental Death Insurance benefit to a funeral home for payment of burial expenses. After payment has been made for the burial expenses to the assigned funeral home, the remaining death benefit is then paid in accord with the Beneficiary and Settlement Options sections of this Policy.

FACILITY OF PAYMENT

Policy benefits may become payable to an Insured Person's estate, to a minor, or to a person who the Company does not consider competent to give a valid release. In that event, the Company has the option to pay one or more of the following:

- (1) a person who has assumed the care and support of the Insured Person or Beneficiary;
- (2) a person who has incurred expense as a result of the Insured Person's last illness or death;
- (3) the personal representative of the Insured Person's estate; or
- (4) any person related by blood or marriage to the Insured Person.

No payment made under this section may exceed the Facility of Payment Amount shown in the Schedule of Insurance. Any payment made in good faith under this section will fully discharge the Company to the extent of the payment. Any remaining amount of benefit will be paid as shown in the Beneficiary section.

DEATH BENEFIT

AMOUNT PAYABLE ON DEATH. Upon receipt of satisfactory proof of an Insured Person's death, the Company will pay a death benefit equal to the amount of Personal Life Insurance in effect on the date of death. This amount is shown in the Schedule of Insurance. The benefit will be paid as shown in the Beneficiary, Facility of Payment, and Settlement Options sections.

EXCLUSION. Benefits will not be payable if the Insured Person's death:

- (1) results from suicide, while sane or insane; and
- (2) occurs within two years after the Insured Person's Personal Life Insurance or an increased amount of insurance takes effect under the Policy (or under any prior group life insurance policy which the Policy replaced within 1 day of the prior plan's termination date).

This exclusion will apply only to that amount of insurance or increase which was issued subject to evidence of insurability, within the two years prior to the Insured Person's death.

SETTLEMENT OPTIONS

INSTALLMENTS. All or part of the death benefit may be received in installments, by making written election to the Company.

ELECTION. While living, an Insured Person may direct the Company to pay the death benefit in installments. If no such direction is in effect at the time of the Insured Person's death, the Beneficiary may make such an election.

CONDITIONS. Any election, whether by an Insured Person or a Beneficiary, must comply with the Company's practices at the time it is made. The amount applied under a settlement option must be at least \$2,000. It must be sufficient to provide a payment of at least \$20 per month.

CONVERSION PRIVILEGE - CONVERSION BENEFITS

GENERAL CONVERSION BENEFIT. An individual life policy, known as a conversion policy, may be purchased from the Company without evidence of insurability if all or part of anyone's life insurance, provided by this Policy, terminates for any reason except:

- (1) termination or amendment of the Policy; or
- (2) the Insured Person's request for:
 - (a) termination of insurance; or
 - (b) cancellation of payroll deduction.

To purchase a conversion policy, application and payment of the first premium must be made within 31 days after the life insurance is terminated.

Any policy issued under the General Conversion Benefit will:

- (1) be for an amount not to exceed the amount of the life insurance which was terminated; less the amount of any group life insurance for which the person becomes eligible within 31 days after insurance terminates;
- (2) be on any form (except term) then issued by the Company at the age and amount for which application is made;
- (3) be issued at the Insured Person's age at nearest birthday;
- (4) be issued without disability or other supplemental benefits; and
- (5) require premiums based on the class of risk to which the person then belongs.

CONVERSION BENEFIT UPON POLICY TERMINATION OR AMENDMENT. A conversion policy also may be purchased from the Company if:

- (1) all or a part of anyone's insurance terminates due to amendment or termination of this Policy; and
- (2) that person has been covered continuously under this Policy for at least five years.

Any conversion policy issued due to Policy termination or amendment will be subject to the same conditions as a policy issued under the General Conversion Benefit.

PROVISIONS APPLICABLE TO ALL CONVERSION POLICIES

EFFECTIVE DATES. The coverage provided by a conversion policy issued under this Section will be effective on the later of:

- (1) its date of issue; or
- (2) 31 days after the date on which the person's life insurance terminated.

DEATH DURING CONVERSION PERIOD. The Company will pay a death benefit under this Policy equal to the amount of the life insurance which could have been converted, if the person:

- (1) was entitled to purchase a conversion policy; and
- (2) dies within the 31 day conversion period.

This death benefit will be paid even if no one applied for the conversion policy. If the first premium was paid for the conversion policy, the amount of the premium will be refunded and the conversion policy will be void.

NOTICE OF CONVERSION PRIVILEGES-INSURED PERSONS. When an Insured Person's Personal Insurance terminates, written notice of the right to convert will be:

- (1) given personally to the Insured Person;
- (2) mailed by the Group Policyholder to the Insured Person at his last known address; or
- (3) mailed by the Company to the Insured Person at his last known address as furnished by the Group Policyholder.

An additional period in which to convert will be granted if this written notice is not given to the Insured Person at least 15 days before the end of the 31 day conversion period. Any such extension of the conversion period will expire on the earliest of:

- (1) 15 days after the Insured Person is given the written notice; or
- (2) 60 days after the end of the 31 day conversion period even if the Insured Person is never given such notice.

No death benefit will be payable under this Policy after the 31 day conversion period has expired even though the right to convert may be extended.

DEPENDENTS LIFE INSURANCE

BENEFIT. Upon receipt of satisfactory proof of a Dependent's death while insured under this Policy, the Company will pay the amount of the Dependents Life Insurance in effect on the date of such death. This amount is shown in the Schedule of Insurance. The death benefit will be paid:

- (1) to the Insured Person; or
- (2) if the Insured Person fails to survive the Dependent, to the Insured Person's Beneficiary or according to the Facility of Payment Section.

EXCLUSION. Benefits will not be payable if a Dependent's death:

- (1) results from suicide, while sane or insane; and
- (2) occurs within two years after insurance or an increased amount of insurance for that Dependent takes effect under this Policy (or under any prior group life insurance policy which this Policy replaced within 1 day of the prior plan's termination date).

This exclusion will apply only to that amount of insurance or increase which was issued subject to evidence of insurability, within the two years prior to a Dependent's death.

DEPENDENT. A Dependent means a person who meets the definition of a dependent of the Insured Person under the provision of the U.S. Internal Revenue Code; and is an Insured Person's:

- (1) spouse who is not legally separated from the Insured Person;
- (2) unmarried child at least 14 days but less than 19 years of age;
- (3) unmarried child less than 25 years of age, if attending an accredited educational institution for the minimum credit hours required to maintain full-time student status there; or
- (4) unmarried child who is totally and permanently disabled and who became so disabled prior to reaching 19 years of age.

A legally adopted child is considered the Insured Person's child from the date of placement in the Insured Person's home for an agency adoption; or from the date the adoption petition is filed, if later, for a private adoption.

In addition to naturally born and legally adopted children, the word "child" includes an Insured Person's stepchild or foster child; provided the child resides in the Insured Person's household and is dependent on the Insured Person for principal support.

The term Dependent does not include anyone serving in the armed forces of any state or country; except for duty of 30 days or less for training in the Reserves or National Guard.

ELIGIBILITY. An Insured Person becomes eligible for Dependents Life Insurance on the latest of:

- (1) the date the Insured Person becomes eligible for Personal Insurance;
- (2) the effective date of this Section; or
- (3) the date the Insured Person first acquires a Dependent.

EFFECTIVE DATES. An Insured Person's Dependents Life Insurance will become effective on the latest of the following dates:

- (1) the date the Insured Person becomes eligible for Dependents Life Insurance;
- (2) the date the Insured Person makes written application for Dependents Life Insurance and signs a payroll deduction order; and
- (3) the date the Company approves any required evidence of insurability on all the Insured Person's Dependents.

If an Insured Person acquires a new Dependent while insured for Dependents Life Insurance, insurance for that Dependent will take effect on the date the Dependent is acquired.

If a Dependent is confined in a hospital on the date his or her Dependents Life Insurance would otherwise take effect, then Dependents Life Insurance for that Dependent will not take effect until ten days after final discharge from the hospital.

EVIDENCE OF INSURABILITY. Each Insured Person's Dependent must submit evidence of insurability satisfactory to the Company if the Insured Person:

- (1) makes application for Dependents Insurance more than 31 days after the date such Insured Person becomes eligible for Dependents Insurance;
- (2) elects to be insured for Dependents Insurance after such Insured Person had requested:
 - (a) termination of the Dependents Insurance; or
 - (b) cancellation of the payroll deduction order; or
- (3) makes application for Dependents Insurance after it has automatically terminated, due to failure to pay premium by the end of the grace period.

INDIVIDUAL TERMINATION OF DEPENDENT INSURANCE. An Insured Person's Dependents Insurance will cease for all of the Insured Person's Dependents on the earliest of:

- (1) the date the Insured Person's Personal Insurance terminates;
- (2) the date Dependent Insurance is discontinued under this Policy;
- (3) the date the Insured Person ceases to be in a class of employees eligible for Dependent Insurance;
- (4) the date the Insured Person requests that the Dependent Insurance be terminated; or
- (5) the last day of the premium paying period for which the Insured Person has made any required contribution toward the cost of the Dependent Insurance.

Dependents Insurance on a particular Dependent will cease on the earliest of:

- (1) the date he or she ceases to be a Dependent as defined in this Policy;
- (2) the date he or she becomes covered under this Policy as an Insured Person; or
- (3) the date he or she enters the armed forces of any state or country; except for duty of 30 days or less in the Reserves or National Guard. (If the Insured Person sends proof of military service, the Company will refund any unearned premium.)

MISSTATEMENT OF AGE. If the age of a Dependent has been misstated, premiums will be subject to an equitable adjustment. If the amount of benefit is dependent upon age, the benefit will be that which would have been payable based upon the Dependent's correct age.

ASSIGNMENT. Dependents Insurance may not be assigned.

INCONTESTABILITY. Except for non-payment of premiums, the Company may not contest the validity of this Policy as to any Dependent, after it has been in force for two years during the lifetime of that Dependent. This clause will not affect the Company's right to contest claims made for accidental death, or dismemberment benefits.

**CLAIMS PROCEDURES
FOR LIFE OR ACCIDENTAL DEATH AND DISMEMBERMENT BENEFITS**

NOTE: This Policy may include an Extension of Death Benefit, an Accelerated Death Benefit or a Living Benefit. If so, please refer to that section for special claim procedures.

- (1) the Insured Person's name and address; and
- (2) the number of this Policy.

Claim Forms. When notice of claim is received, the Company will send claim forms for filing the required proof. It should state the nature, date and cause of the loss.

The Company must be given written proof of claim within 90 days after the date of the loss; or as soon as reasonably possible after that.* Proof of claim must be provided at the claimant's own expense. - (3) A signed authorization for the Company to obtain more information.

* **Exception:** Failure to give notice or furnish proof of claim within the required time period will not invalidate or reduce the claim; if it is shown that it was done:

- (1) as soon as reasonably possible; and
- (2) in no event more than one year after it was required.

These time limits will not apply while the claimant lacks legal capacity.

EXAM OR AUTOPSY. At anytime while a claim is pending, the Company may have the Insured Person examined:

- (1) by a Physician of the Company's choice;
- (2) as often as reasonably required.

If the Insured Person fails to cooperate with an examiner or fails to take an exam, without good cause; then the Company may deny benefits, until the exam is completed. In case of death, the Company may also have an autopsy done, where it is not forbidden by law. Any such exam or autopsy will be at the Company's expense.

TIME OF PAYMENT OF CLAIMS. Any benefits payable under this Policy will be paid immediately after the Company receives complete proof of claim and confirms liability.

TO WHOM PAYABLE

CLAIMS PROCEDURES
(Continued)

NOTICE OF CLAIM DECISION. The Company will send the claimant a written notice of its claim decision. If the Company denies any part of the claim; then the written notice will explain:

- (1) the reason for the denial, under the terms of this Policy and any internal guidelines;
- (2) how the claimant may request a review of the Company's decision; and
- (3) whether more information is needed to support the claim.

The Company will send this notice within 15 days after resolving the claim. If reasonably possible, the Company will send it within:

- (1) 90 days after receiving the first proof of a death or dismemberment claim; or
- (2) 45 days after receiving the first proof of a claim for any Extension of Death Benefit available under this Policy.

Delay Notice. If the Company needs more than 15 days to process a claim, in a special case; then an extension will be permitted. If needed, the Company will send the claimant a written delay notice:

- (1) by the 15th day after receiving the first proof of claim; and
- (2) every 30 days after that, until the claim is resolved.

The notice will explain the special circumstances which require the delay, and when a decision can be expected.

In any event, the Company must send written notice of its decision within:

- (1) 180 days after receiving the first proof of a death or dismemberment claim; or
- (2) 105 days after receiving the first proof of a claim for any Extension of Death Benefit available under this Policy.

If the Company fails to do so; then there is a right to an immediate review, as if the claim was denied.

Exception: If the Company needs more information from the claimant to process a claim; then it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for claim processing.

REVIEW PROCEDURE. The claimant may request a claim review, within:

- (1) 60 days after receiving a denial notice of a death or dismemberment claim; or
- (2) 180 days after receiving a denial notice of a claim for any Extension of Death Benefit available under this Policy.

To request a review, the claimant must send the Company a written request, and any written comments or other items to support the claim. The claimant may review certain non-privileged information relating to the request for review.

Notice of Decision. The Company will review the claim and send the claimant a written notice of its decision. The notice will explain the reasons for the Company's decision, under the terms of this Policy and any internal guidelines. If the Company upholds the denial of all or part of the claim; then the notice will also describe:

- (1) any further appeal procedures available under this Policy;
- (2) the right to access relevant claim information; and
- (3) the right to request a state insurance department review, or to bring legal action.

For a death or dismemberment claim, the notice will be sent within 60 days after the Company receives the request for review; or within 120 days, if a special case requires more time. CLAIMS PROCEDURES
(Continued)

Delay Notice. If the Company needs more time to process an appeal, in a special case; then it will send the Insured Person a written delay notice, by the 30th day after receiving the request for review. The notice will explain:

- (1) the special circumstances which require the delay;
- (2) whether more information is needed to review the claim; and
- (3) when a decision can be expected.

Exception: If the Company needs more information from the claimant to process an appeal; then it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for appeal processing.

Claims Subject to ERISA (Employee Retirement Income Security Act of 1974). Before bringing a civil legal action under the federal labor law known as ERISA, an employee benefit plan participant or beneficiary must exhaust available administrative remedies. Under this Policy, the claimant must first seek two administrative reviews of the adverse claim decision, in accord with this section. If an ERISA claimant brings legal action under Section 502(a) of ERISA after the required reviews; then the Company will waive any right to assert that he or she failed to exhaust administrative remedies.

RIGHT OF RECOVERY. If benefits have been overpaid on any claim; then full reimbursement to the Company is required within 60 days. If reimbursement is not made; then the Company has the right to:

- (1) reduce future benefits until full reimbursement is made; and
- (2) recover such overpayments from the Insured Person, or from his or her Beneficiary or estate.

Such reimbursement is required whether the overpayment is due to fraud, the Company's error in processing a claim, or any other reason.

LEGAL ACTIONS. No legal action to recover any benefits may be brought until 60 days after the required written proof of claim has been given. No such legal action may be brought more than three years after the date written proof of claim is required.

COMPANY'S AUTHORITY TO ADMINISTER ERISA PLAN. Policy coverage may be provided under an employee benefit plan, which is subject to federal ERISA law. In that case, the Company initially has the sole discretionary authority to determine eligibility and to administer claims. The Company will do so:

- (1) in accord with its interpretation of Policy provisions;
- (2) on the Group Policyholder's or Employer's behalf.

In the event of a dispute, the Company's interpretation may be modified or reversed by a court or regulatory agency with proper jurisdiction.

**NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS UNDER
THE SOUTH DAKOTA LIFE AND
HEALTH INSURANCE GUARANTY
ASSOCIATION ACT**

Residents of South Dakota who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the South Dakota Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Guaranty Association does not provide coverage for all types of life, health, or annuity benefits, and the Guaranty Association may not provide coverage for this policy or contract. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in South Dakota. You should not rely on coverage by the South Dakota Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy or contract.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association for the purpose of sales, solicitation, or inducement to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the South Dakota Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law, nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are an insured certificate holder under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state. Coverage is also provided by the Guaranty Association to persons eligible to receive payment under structured settlement annuities who are residents of this state, and under certain conditions, such persons even if they are not a resident of this state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by the Guaranty Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does **not** provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- claims based on marketing material or other documents which are not approved policy forms, claims based on misrepresentations of policy benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate specified by statute;
- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals);
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the insurer; or
- policies providing health care benefits for Medicare Parts C or D coverage.

LIMITS ON AMOUNT OF COVERAGE

The Guaranty Association in no event will pay more than what an insurance company would owe under a policy or contract. In addition, state law limits the amount of benefits the guaranty association will pay for any one insured life, and no matter how many policies or contracts there are with the same company, as follows: (i) for life insurance, not more than \$300,000 in death benefits and not more than \$100,000 in net cash surrender and net cash withdrawal values; (ii) for health benefit plans, not more than \$500,000 but not more than \$300,000 for disability insurance and long term care insurance, and not more than \$100,000 for other types of health insurance; and (iii) for annuities, not more than \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values. However, in no event will the Guaranty Association be obligated to cover more than an aggregate of \$300,000 in benefits with respect to any one life except with respect to benefits for basic hospital, medical and surgical insurance, for which the aggregate liability of the guaranty association may not exceed \$500,000. These general statements of the limits on coverage are only summaries and the actual limitations are set forth in South Dakota law.

ISSUED TO: Issues Management, Inc. dba Five Star Solutions

The Policy is amended by the addition of the following provisions.

**PRIOR INSURANCE CREDIT UPON TRANSFER OF
LIFE INSURANCE CARRIERS**

This provision prevents loss of life insurance coverage for an Insured Person, which could otherwise occur solely because of a transfer of insurance carriers. This Policy will provide the following Prior Insurance Credit, when it replaces a prior plan.

"Prior Plan" means a prior carrier's group life insurance policy, which this Policy replaced within 1 day of the prior plan's termination date.

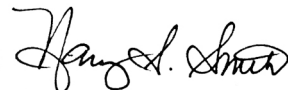

FAILURE TO SATISFY ACTIVE WORK RULE. Subject to payment of premiums, this Policy will provide life coverage for a Person who:

- (1) was insured under the prior plan on its termination date;
- (2) was otherwise eligible under this Policy; but was not Actively-At-Work due to Injury or Sickness on its Effective Date;
- (3) is not entitled to any extension of life insurance under the prior plan; and
- (4) is not Totally Disabled (as defined in the Extension of Death Benefit section of this Policy) on the date this Policy takes effect.

AMOUNT OF LIFE INSURANCE. Until the Person satisfies this Policy's Active Work rule, the amount of his or her group life insurance under this Policy will not exceed the amount for which the Person was insured under the prior plan on its termination date.

This Amendment takes effect on the effective date of coverage under this Policy. In all other respects, this Policy remains the same.
