

### Hurricane:

- ⦿ Pay attention to news/weather during hurricane season
- ⦿ If you're in an area in the path of a storm, be sure to have conversations with your manager and develop a plan
- ⦿ If you must evacuate let you manager now as soon as you can. Once you are able to return, work with your manager to set a return-to-work date
- ⦿ In the event of an unfortunate outcome, contact your manager to develop a plan.
