Frequently Asked Questions

Can I use my benefits if I visit a provider outside the network?

Yes, if you visit an out-of-network provider, you pay your provider the full balance and submit a claim with your itemized receipt for reimbursement based on out-of-network plan benefits. Greater benefits are available with network providers, and they submit the claim for you.

Can I get glasses and contacts in the same year?

No, your benefit can be applied to contacts OR glasses during the benefit year. In other words, you will not receive an allowance for contacts if you already chose to apply your vision benefits to a new pair of lenses and/or frames during the same benefit year.

Who do I contact if I have questions?
