

# Newly Hired Employees

## Welcome!

Hello and welcome to PAM Transport. We are excited to have you as part of our team, and thank you for choosing PAM Transport.

We are always working throughout the year with our benefit partners to ensure that we have the best overall benefit options in place for our employees and their families.

Included in your benefit material, you will find benefit information as well as the costs for the coverages available. Remember, as a new hire you will only have a limited amount of time to enroll in benefits, so be sure to review your benefit material for details. Plus, to make enrolling as easy as possible, you can enroll over the phone through our call center. Just follow the steps below, and if you do have questions or need more information, feel free to contact anyone in HR.

Thanks again for your hard work, dedication and choosing PAM Transport.

### 1 Everyone needs to enroll

As a New Hire, to comply with **Obamacare and ACA reporting mandates, it is required that every employee enroll and/or waive** the benefits offered.

This is to ensure that we as an employer have captured all of the necessary and up to date employee, dependent, benefit and beneficiary information for each employee.

### 2 Enroll Over The Phone

Enrolling is as easy as 1-2-3.

1. Go to [www.pamtransportbenefits.com](http://www.pamtransportbenefits.com) to review benefit material.
2. When ready to enroll phone the Call Center to enroll.
3. Our live enroller will enroll you directly over the phone.
