Accident Insurance

Protection for accidental injuries on- and off-the-job, 24 hours a day

Think About This

More than 85% of medically consulted injuries suffered by workers occurred off the job†

Every 10 minutes, 1,054 people suffer an injury severe enough to require a doctor or medical professional†

3.2 million peoplewere treated in emergency departments for injuries involving sports and recreational equipment in 2021†

Here's How It Works

- Select a benefit and premium amount that meets your needs
- Premiums will be deducted each pay period
- If you have an accident and receive medical attention, file a claim and you may receive cash benefits*

Protecting Your Finances

You've worked hard for your savings – don't let an accident wipe them out.

- Protect your checking and savings
- Don't dip into your 401(k)

Protecting insureds for over 60 years

Meeting Your Needs

- Guaranteed Issue coverage, subject to exclusions and limitations*
- Coverage can include your dependents
- Premiums are affordable and can be conveniently payroll deducted
- Coverage may be continued; refer to your certificate for details
