

Say hello to the Designated Diagnostic Provider benefit

More value for you, more savings for employees

Designated Diagnostic Providers (DDP) are freestanding and hospital lab providers who meet requirements for providing quality and efficient services. When your employees choose a DDP for their outpatient lab services they'll receive the highest level of benefit from their health plan. This means more value for lab services—and more value for your employees.

Look for the green check

Participating labs will be designated in the provider search on myuhc.com®. Look for this icon beginning in late June 2021:

Designated Diagnostic Provider

What is a DDP?

DDPs are labs committed to improving access, quality and service at a lower cost.

Participating labs include:

- AmeriPath/DermPath
- BioReference
- GeneDx
- Invitae
- LabCorp & Subsidiaries
- Mayo Clinic Laboratories*
- Millennium Health
- Quest Diagnostics
- Hospital and freestanding labs meeting quality and efficiency requirements

Note: Participating DDP providers are subject to change upon annual review process and contracting work is ongoing and will expand DDP to include additional facilities.

Contact your UnitedHealthcare representative for more information

*Laboratory services billed by Mayo Clinic and Mayo Health System are not included under the Mayo Clinic Laboratories agreement. Insurance coverage provided by or through UnitedHealthcare Insurance Company or its affiliates.
