### IMPORTANT:

If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, federal law gives you more choices about your prescription drug coverage.

This document is an outline of the coverage provided under your employer's benefit plans based on information provided by your company. It does not include all the terms, coverage, exclusions, limitations, and conditions contained in the official Plan Document, applicable insurance policies and contracts (collectively, the "plan documents"). The plan documents themselves must be read for those details. The intent of this document is to provide you with general information about your employer's benefit plans. It does not necessarily address all the specific issues which may be applicable to you. It should not be construed as, nor is it intended to provide, legal advice. To the extent that any of the information contained in this document is inconsistent with the plan documents, the provisions set forth in the plan documents will govern in all cases. If you wish to review the plan documents or you have questions regarding specific issues or plan provisions, you should contact your Human Resources/Benefits Department.

This guide provides you with a basic summary of the benefits available to you for the 2026-2027 plan year. You are responsible for understanding these benefits and making enrollment decisions that best suit your personal and family health needs. If there are any conflicts between information provided in this guide and the official carrier plan documents, the carrier plan document is the final authority.

## Benefits Overview

Welcome to the Cafe Rio 2026-2027 Benefits Guide. This guide is designed to highlight your benefit options so that you can make the best possible decision for you and your family. We hope that this guide will be a resource to use throughout the year for services and benefits provided and offered to you as a valued Cafe Rio employee.

### Know Your Benefits

Making wise decisions about your benefits requires planning. By selecting benefits that provide the best care and coverage, you can optimize their value and minimize the impact to your budget. The best thing you can do is “shop” for benefits carefully, using the same type of decision-making process you use for other major purchases.

- 1. Take advantage of the tools available to you.** That includes this guide, access to plan information, provider directories, and enrollment materials.
- 2. Be a smart shopper.** If you were buying a car or purchasing a home, you would do a lot of research beforehand. You should do the same for benefits because the wrong decision could be costly.
- 3. Don't miss the deadline and keep record of your enrollment!** Pay attention to the enrollment deadline and be sure make your online elections in a timely manner. It is important to review your paycheck to ensure the accuracy of payroll deductions. Notify HR immediately if there are any discrepancies.

### Who Is Eligible?

For most benefits, if you are hired into a full-time position coverage will begin on the first day of the month following date of hire. You can also enroll your eligible dependents in the same plans you choose for yourself. Eligible dependents include your legal spouse, your domestic partner, and/or your natural, adopted or step-child(ren) to age 26.

### How We Define Medical Benefits Eligibility

We are a large employer according to the Employer Shared Responsibility provisions of the ACA. The enrollment guidelines listed in this guide may vary if you are hired to work less than 30 hours per week (130 hours per month) or your hours worked drop below the threshold. Please contact us for our complete policy on Measurement Methods to determine full-time benefits eligibility status under the Employer Shared Responsibility.

### When to Enroll

You can enroll in coverage within 30 days of your date of hire, or during the annual open enrollment period. Outside of your open enrollment period, the only time you can change your coverage is within 30 days after you experience a qualifying life event.

### When Coverage Ends

For most benefits, coverage will end on the last day of the month in which:

- » Your regular work schedule is reduced to fewer than 30 hours per week
- » Your employment with Cafe Rio ends

Your dependent(s) coverage ends:

- » When your coverage ends, or
- » The last day of the month in which the dependent is no longer eligible

### Making Changes During the Year

The IRS provides strict regulations about the changes to pre-tax elections during the plan year. Once you enroll in benefits, you will not be able to make any changes to your elections until the next annual open enrollment period, unless you experience a qualified life event.

Qualified life events include, but are not limited to:

- » Change in your legal marital status
- » Change in number of dependents
- » A dependent no longer meets the eligibility requirements
- » You and/or your dependent becomes eligible or loses eligibility for Medicare, Medicaid or the Children's Health Insurance Program (CHIP)
- » Employee or dependents change in employment status resulting in loss or gain of eligibility for employer sponsored benefits
- » A court or administrative order

It is your responsibility to make changes online at [www.mycaferio.com](http://www.mycaferio.com) within 30 days after a qualified life event. Any benefit changes must be directly related to the qualified life event.

## What's New In 2026-2027?

It's important to review your options and learn what has changed or what is new. Be sure to take the time to review your current benefit options before deciding whether or not to make changes to your coverage during open enrollment.

### Open Enrollment Period

Our plan renews on October 1st, so the annual open enrollment period will happen prior to the October 1st renewal date. Elections made during this open enrollment will be in effect from October 1st - September 30th. Deductibles and annual maximums will still reset on January 1st.

### Online Enrollment

This year is a passive enrollment meaning if your benefits are not changing you do not need to make active elections and your coverage will continue for the 2026-2027 plan year. If you would like to enroll, decline or make changes to your 2026/2027 benefits, you will need to do this during open enrollment scheduled for **September 10th to September 21st**. All elections and changes can be made by speaking with a dedicated enrollment counselor over the phone, **833.267.8699** or going to [www.mycaferio.com](http://www.mycaferio.com). Your current retirement plan elections including 401(k) and Roth will carryover to the new plan year. There are enrollment instructions contained within this guide to assist you with this process.

### Health Savings Account (HSA) – Increase in Contribution Limits for 2026 and 2027 calendar years

The annual HSA contribution limit increased in 2026 for individual coverage to \$4,400 and \$8,750 for family coverage. For 2027 for individual coverage to \$4,500 and \$9,000 for family coverage.

### Outbreak period starting March 1, 2020 has extended HIPAA Special Enrollment Rights

Due to COVID-19 you might be entitled to an extended time-line for certain life events changes.

Please contact HR for any additional questions.

## Health Savings Account

Administered by HealthEquity

Cafe Rio's medical options are both High Deductible Health Plans (HDHPs). An HDHP is a health insurance plan that is eligible for a Health Savings Account (HSA). Cafe Rio contributes funds into your Health Savings Account at and encourages you to also contribute funds pre-tax out of your paycheck. If you are joining either medical plan for the first time with Cafe Rio, the company will contribute \$750 if you are enrolled in Employee Only coverage or \$1,500 if you are enrolled with at least one other dependent on your effective date of coverage. These amounts will be pro-rated throughout the year if you join the plan mid-year.

If you have been on the plan and are continuing coverage, Cafe Rio will annually contribute \$750 for Employee Only coverage and \$1,500 if you are enrolled with at least one other dependent. Cafe Rio contributions will be made on a per pay period basis throughout the year.

### What is a Health Savings Account

An HSA is like a personal bank account that you own. You may use the money in your HSA to pay for any qualified health care expenses for you, your spouse and your tax dependents, even if they are not covered on your plan.

Examples of qualified health care expenses include:

- » Your insurance plan deductibles, copayments and coinsurance
- » Doctor's office visits
- » Prescriptions
- » Dental treatments and x-rays
- » Eyeglasses and vision exams

To view an entire list of qualified expenses visit [www.irs.gov/pub/irs-pdf/p502.pdf](https://www.irs.gov/pub/irs-pdf/p502.pdf).

### Who Is Eligible?

In order to open an HSA, you must meet the following requirements:

- Be enrolled in one of Cafe Rio's Medical Plans
- Be at least 18 years old
- Not claimed as a dependent on someone else's tax return
- Not enrolled in Medicare
- Not covered by dual medical plans unless enrolled in another HDHP plan

### Getting Started

An HSA through HealthEquity will be opened for you when you enroll in one of Cafe Rio's medical plans. Your account will be funded with both Cafe Rio's contributions and your own contributions if you've elected to contribute to your account. Contributions you make are funded over the year and can be changed at any time. See the table below for the Cafe Rio contribution schedule. Contributions you make to your HSA and receive from Cafe Rio should not exceed the IRS contribution limits for the calendar year. The limits include both the employer and employee contributions.

| 2026-2027 Cafe Rio Contribution |                                                 |                                                    |
|---------------------------------|-------------------------------------------------|----------------------------------------------------|
| Enrollment                      | Employees newly enrolled as of January 1, 2026* | Existing enrolled employees as of January 1, 2026* |
| Employee Only                   | \$750 funded in full on January 1, 2026         | \$750 annually; \$28.85 per pay period funding     |
| Family                          | \$1,500 funded in full on January 1, 2026       | \$1,500 annually; \$57.69 per pay period funding   |

\*These amounts will be prorated if coverage begins mid-year.

| IRS HSA Contribution Limits |         |
|-----------------------------|---------|
| Status                      | 2026    |
| Employee Only               | \$4,400 |
| Family                      | \$8,750 |
| Status                      | 2027    |
| Employee Only               | \$4,500 |
| Family                      | \$9,000 |

If you are age 55 or older, you may contribute an additional \$1,000 to your HSA.

### Why HSA?

One of the main reasons to contribute to an HSA is for the tax benefits. As an HSA user, you save in several ways:

- » Reduce federal income taxes – your payroll deductions reduce federal taxes, because it reduces your taxable earnings by the amount you deposit into your HSA.
- » Tax-free interest – money in your HSA earns interest while it's in the account and earnings grow tax free.
- » Tax-free withdrawals – withdrawals remain tax free as long as the money is used to pay for qualified health expenses.

With an HSA, you own the account and all contributions. Your entire HSA balance rolls over from year to year and remains available for qualified expenses even if you change health plans, retire, or leave the company. Once you reach a determined account balance, you can invest your HSA funds for increased earning potential.

### HOSPITAL PLAN BENEFIT SUMMARY

### Chubb Group Accident Insurance (off-the-job)

Accident insurance can help provide you with a cushion to help cover expenses and living costs if you are hurt unexpectedly off-the-job. While you can count on health insurance to cover medical expenses, it doesn't usually cover indirect costs that can arise with a serious, or even not-so-serious injury. You may end up paying out of your own pocket for things like transportation, over-the-counter medicine, day care and extra help around the house. With accident insurance, the benefits you receive can help take care of these extra expenses and anything else that comes up.

- » Coverage is guaranteed issue – no evidence of insurability required at initial enrollment
- » Benefits are paid directly to you unless assigned to someone else

- » Coverage is portable and may be continued if the employee leaves the group

- » Sports Package: Playing sports can lead to injuries and unwelcome expenses. We'll increase your benefit 25%, up to \$1,000 per person per year, for injuries resulting from participating in organized sports

## 401(k) and Roth Retirement Benefits

### Administered by The Standard

Cafe Rio offers you a valuable benefit to help you save for the future. Saving now can help you have the income you will need at retirement, so get started today and take the first step toward a brighter financial future!

### Why Retirement Plans?

There are significant tax advantages to contributing to a 401(k). For example, your qualifying contributions and all earnings on your account are not subject to current federal income tax (or, where applicable, state or local taxes) until you take them out of the Plan. This tax deferral gives your retirement savings the ability to grow under the most favorable terms possible.

Roth contributions will be included as taxable income. Earnings on Roth contributions will accumulate tax free, and retirement withdrawals may be exempt from federal income tax.

### When and Who Can Participate?

Participation is open to employees who have attained age 21. Eligible employees may join the plan if they have been with Cafe Rio 60 day as of the quarterly enrollment period. Quarterly enrollments take place in December, March, June and September of each year.

### How Do I Get Started?

- » Go to [www.mycaferio.com](http://www.mycaferio.com) during your enrollment time period and elect a percentage to be withheld from your paychecks either pre-tax 401(k) or after-tax Roth.
- » You may elect to contribute as much as \$24,500, in total, to all accounts with an additional \$8,000 if over the age of 50
- » You will then need to go to [Login.standard.com/register](http://Login.standard.com/register) to register your new account and select the investment options where your contributions will be allocated. You will be able to register your account following the first deduction from your paycheck. If selections are not made, your contributions will go to the default target retirement date investment option.

### Can I Stop or Change My Contributions

You may change your contributions at the end of each quarter if desired. Communication about how to change your contributions will be sent from the benefits team to your most current email and phone on file quarterly. You can reduce your contributions to 0% at any time by emailing [benefits@caferio.com](mailto:benefits@caferio.com), the change will be made for the next applicable payroll. Once you discontinue contributions, you may start again as of the end of each subsequent quarter. You may increase or decrease the amount of your contributions quarterly.

### Company Contributions

You will receive a dollar for dollar employer match on the first 4% you contribute to your 401(K) account. All funds are also 100% vested from day one.

### Dependent Care FSA

#### Administered by APA Benefits

A dependent care FSA allows you to put aside money on a pre-tax basis to use for qualified dependent care expenses. This includes childcare for children under 13, eldercare expenses, or care for a disabled dependent who is your tax dependent of any age.

You may elect up to \$7,500 (or \$3,750 if married filing separately) to put aside each year to use for dependent care expenses while you (and your spouse, if married) are working or in school.

Your election amount will be taken out of your paycheck in equal installments over the year until the yearly maximum you've specified is reached.

To use this account, you will receive a debit card loaded with your election amount. You can use the card to pay for eligible dependent care expenses as they occur. You can also use another payment form and submit for reimbursement from your Dependent Care FSA.

You may be asked to provide substantiation for your expenses so always retain your receipts or invoices for your dependent care expenses.

## Important Notices and Disclosures

### Patient Protections Disclosure

The Cafe Rio Health Plan generally <<requires/allows>> the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. Until you make this designation, UMR designates one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact the UMR at 800.826.9781 or [www.member.umar.com](http://www.member.umar.com).

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from UMR or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the UMR at 800.826.9781 or [www.member.umar.com](http://www.member.umar.com).

### Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the plan.

Plan 1: High Deductible Health Plan Option 1 (Individual: 20% coinsurance and \$1,750 deductible; Family: 20% coinsurance and \$3,500 deductible)

Plan 2: High Deductible Health Plan Option 2 (Individual: 20% coinsurance and \$2,500 deductible; Family: 20% coinsurance and \$5,000 deductible)

If you would like more information on WHCRA benefits, please call your Plan Administrator at 801.441.5038 or [cworle@caferio.com](mailto:cworle@caferio.com).

### Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

### Preventive Care

Certain preventive care services must be provided by non-grandfathered group health plans without member cost-sharing (such as deductibles or copays) when these services are provided by a network provider. Please refer to your insurance company for more information. Contact information is listed under "Contacts" in this Guide.

### Premium Assistance Under Medicaid and The Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, **and you must request coverage within 60 days of being determined eligible for premium assistance.** If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2026. Contact your State for more information on eligibility –

### Protecting Your Health Information Privacy Rights

Cafe Rio is committed to the privacy of your health information. The administrators of the Cafe Rio Health Plan (the “Plan”) use strict privacy standards to protect your health information from unauthorized use or disclosure.

The Plan’s policies protecting your privacy rights and your rights under the law are described in the Plan’s Notice of Privacy Practices. ## HIPAA Special Enrollment Rights

### Cafe Rio Health Plan Notice of Your HIPAA Special Enrollment Rights

Our records show that you are eligible to participate in the Cafe Rio Health Plan (to actually participate, you must complete an enrollment form and pay part of the premium through payroll deduction).

A federal law called HIPAA requires that we notify you about an important provision in the plan – your right to enroll in the plan under its “special enrollment provision” if you acquire a new dependent, or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons.

**Loss of Other Coverage (Excluding Medicaid or a State Children’s Health Insurance Program).** If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 30 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).

**Loss of Coverage for Medicaid or a State Children’s Health Insurance Program.** If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children’s health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents’ coverage ends under Medicaid or a state children’s health insurance program.

**New Dependent by Marriage, Birth, Adoption, or Placement for Adoption.** If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

**Eligibility for Premium Assistance Under Medicaid or a State Children’s Health Insurance Program.** If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children’s health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents’ determination of eligibility for such assistance.

To request special enrollment or to obtain more information about the plan’s special enrollment provisions, contact Cortney Worle – Chief People Officer at 801.441-5038 or [cworle@caferio.com](mailto:cworle@caferio.com).

### IMPORTANT WARNING

If you decline enrollment for yourself or for an eligible dependent, you must complete our form to decline coverage. On the form, you are required to state that coverage under another group health plan or other health insurance coverage (including Medicaid or a state children’s health insurance program) is the reason for declining enrollment, and you are asked to identify that coverage. If you do not complete the form, you and your dependents will not be entitled to special enrollment rights upon a loss of other coverage as described above, but you will still have special enrollment rights when you have a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children’s health insurance program with respect to coverage under this plan, as described above. If you do not gain special enrollment rights upon a loss of other coverage, you cannot enroll yourself or your dependents in the plan at any time other than the plan’s annual open enrollment period, unless special enrollment rights apply because of a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children’s health insurance program with respect to coverage under this plan.

## Qualified Medical Child Support Orders

Coverage will be provided to any of your dependent child(ren) if a Qualified Medical Child Support Order (QMCSO) is issued, regardless of whether the child(ren) currently reside with you. A QMCSO may be issued by a court of law or issued by a state agency as a National Medical Support Notice (NMSN), which is treated as a QMCSO. If a QMCSO is issued, the child or children shall become an alternate recipient treated as covered under the Plan and are subject to the limitations, restrictions, provisions, and procedures as all other plan participants.

## Employee Retirement Income Security Act of 1974 (ERISA)

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

### RECEIVE INFORMATION ABOUT YOUR PLAN AND BENEFITS

Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration. Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and updated summary plan descriptions. The administrator may make a reasonable charge for the copies.

### CONTINUE GROUP HEALTH PLAN COVERAGE

Continue health care coverage for yourself, spouse, or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review the summary plan description and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

Reduction or elimination of exclusionary periods of coverage for preexisting conditions under your group health plan, if you have creditable coverage from another plan. You should be provided a certificate of creditable coverage, free of charge, from your group health plan or health insurance issuer when you lose coverage under the plan, when you become entitled to elect COBRA continuation coverage, when your COBRA continuation coverage ceases, if you request it before losing coverage, or if you request it up to 24 months after losing coverage. Without evidence of creditable coverage, you may be subject to preexisting condition exclusion for 12 months (18 months for late enrollees) after your enrollment date in your coverage.

### PRUDENT ACTIONS BY PLAN FIDUCIARIES

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries.

No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

### ENFORCE YOUR RIGHTS

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

### ASSISTANCE WITH YOUR QUESTIONS

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, DC 20210.

You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

## Notice of Creditable Coverage

### Important Notice from Cafe Rio

#### About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Cafe Rio and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Cafe Rio has determined that the prescription drug coverage offered by the medical plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

#### WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 through December 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two-month Special Enrollment Period (SEP) to join a Medicare drug plan.

#### WHAT HAPPENS TO YOUR CURRENT COVERAGE IF YOU DECIDE TO JOIN A MEDICARE DRUG PLAN?

If you decide to join a Medicare drug plan, your current Cafe Rio coverage will be affected.

If you do decide to join a Medicare drug plan and drop your current Cafe Rio coverage, be aware that you and your dependents may not be able to get this coverage back.

You should compare your current coverage, including which drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area. In addition, your current coverage pays other health expenses in addition to prescription drugs, and you will still be eligible to receive all of your current health and prescription drug benefits if you choose to enroll in a Medicare prescription drug plan.

#### WHEN WILL YOU PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN?

You should also know that if you drop or lose your current coverage with Cafe Rio and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

#### FOR MORE INFORMATION ABOUT THIS NOTICE OR YOUR CURRENT PRESCRIPTION DRUG COVERAGE...

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Cafe Rio changes. You also may request a copy of this notice at any time.

#### FOR MORE INFORMATION ABOUT YOUR OPTIONS UNDER MEDICARE PRESCRIPTION DRUG COVERAGE

More detailed information about Medicare plans that offer prescription drug coverage is in the Medicare and You handbook. You will receive a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

**Remember: Keep this Creditable Coverage Notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

## COBRA General Notice

### MODEL GENERAL NOTICE OF COBRA CONTINUATION COVERAGE RIGHTS (FOR USE BY SINGLE-EMPLOYER GROUP HEALTH PLANS) \*\*CONTINUATION COVERAGE RIGHTS UNDER COBRA\*\*

#### INTRODUCTION

You're getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

**You may have other options available to you when you lose group health coverage.** For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

#### WHAT IS COBRA CONTINUATION COVERAGE?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

## WHEN IS COBRA CONTINUATION COVERAGE AVAILABLE?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

**For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to: Cortney Worle.**

## HOW IS COBRA CONTINUATION COVERAGE PROVIDED?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

### ***Disability extension of 18-month period of COBRA continuation coverage***

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

### ***Second qualifying event extension of 18-month period of continuation coverage***

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

## ARE THERE OTHER COVERAGE OPTIONS BESIDES COBRA CONTINUATION COVERAGE?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, **Children's Health Insurance Program (CHIP)**, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at [www.healthcare.gov/](http://www.healthcare.gov/).

## CAN I ENROLL IN MEDICARE INSTEAD OF COBRA CONTINUATION COVERAGE AFTER MY GROUP HEALTH PLAN COVERAGE ENDS?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period<sup>1</sup> to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare. For more information visit <https://www.medicare.gov/medicare-and-you>.

## Family Medical Leave Act

### **FAMILY & MEDICAL LEAVE ACT (FMLA)**

FMLA is designed to help employees balance their work and family responsibilities by allowing them to take reasonable unpaid leave for certain family and medical reasons. It also seeks to accommodate the legitimate interests of employers and promote equal employment opportunity for men and women. FMLA applies to all public agencies, all public and private elementary and secondary schools, and companies with 50 or more employees. There may be times when you need an extended leave of absence. The company has a Family and Medical Leave Policy that is in compliance with The Family and Medical Leave Act of 1993 (FMLA), as amended. FMLA provides an entitlement of up to 12 weeks, which protects employees' jobs and benefits in the event of a medical or family circumstance, which requires the employee to take time off from work without pay. In general, the employee must have worked for at least 12 months and at least, 1,250 hours within the last 12 months immediately prior to the first day of leave.

#### Circumstances Permitting Family and Medical Leave

- » Birth of an employee's child (within 12 months after birth)
- » Adoption of a child by an employee (within 12 months after placement)
- » Placement of a child with the employee for foster care (within 12 months after placement)
- » Care of a child, spouse or parent having a serious health condition
- » Incapacity of the employee due to a serious health condition
- » Military Leave

Additional leave laws may apply to you depending upon your specific state and if you or a dependent or a military member. Whenever possible leave must be requested in advance. If you have questions about FMLA or any leave requests, please contact Human Resources.

## Marketplace Notice

### Health Insurance Marketplace Coverage Options and Your Health Coverage

#### PART A: General Information

Even if you are offered health coverage through your employment, you may have other coverage options through the Health Insurance Marketplace ("Marketplace"). To assist you as you evaluate options for you and your family, this notice provides some basic information about the Health Insurance Marketplace and health coverage offered through your employment.

#### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options in your geographic area.

#### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium and other out-of-pocket costs, but only if your employer does not offer coverage, or offers coverage that is not considered affordable for you and doesn't meet certain minimum value standards (discussed below). The savings that you're eligible for depends on your household income. You may also be eligible for a tax credit that lowers your costs.

#### Does Employment-Based Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that is considered affordable for you and meets certain minimum value standards, you will not be eligible for a tax credit, or advance payment of the tax credit, for your Marketplace coverage and may wish to enroll in your employment-based health plan. However, you may be eligible for a tax credit, and advance payments of the credit that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that is considered affordable for you or meet minimum value standards. If your share of the premium cost of all plans offered to you through your employment is more than 9.12%<sup>1</sup> of your annual household income, or if the coverage through your employment does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit, and advance payment of the credit, if you do not enroll in the employment-based health coverage. For family members of the employee, coverage is considered affordable if the employee's cost of premiums for the lowest-cost plan that would cover all family members does not exceed 9.12% of the employee's household income.<sup>1,2</sup>

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered through your employment, then you may lose access to whatever the employer contributes to the employment-based coverage. Also, this employer contribution -as well as your employee contribution to employment-based coverage- is generally excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis. In addition, note that if the health coverage offered through your employment does not meet the affordability or minimum value standards, but you accept that coverage anyway, you will not be eligible for a tax credit. You should consider all of these factors in determining whether to purchase a health plan through the Marketplace.

#### When Can I Enroll in Health Insurance Coverage through the Marketplace?

You can enroll in a Marketplace health insurance plan during the annual Marketplace Open Enrollment Period. Open Enrollment varies by state but generally starts November 1 and continues through at least December 15.

Outside the annual Open Enrollment Period, you can sign up for health insurance if you qualify for a Special Enrollment Period. In general, you qualify for a Special Enrollment Period if you've had certain qualifying life events, such as getting married, having a baby, adopting a child, or losing eligibility for other health coverage. Depending on your Special Enrollment Period type, you may have 60 days before or 60 days following the qualifying life event to enroll in a Marketplace plan.

<sup>1</sup> Indexed annually; see <https://www.irs.gov/pub/irs-drop/rp-22-34.pdf> for 2023.

<sup>2</sup> An employer-sponsored or other employment-based health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs. For purposes of eligibility for the premium tax credit, to meet the "minimum value standard," the health plan must also provide substantial coverage of both inpatient hospital services and physician services.

There is also a Marketplace Special Enrollment Period for individuals and their families who lose eligibility for Medicaid or Children's Health Insurance Program (CHIP) coverage on or after March 31, 2023, through July 31, 2024. Since the onset of the nationwide COVID-19 public health emergency, state Medicaid and CHIP agencies generally have not terminated the enrollment of any Medicaid or CHIP beneficiary who was enrolled on or after March 18, 2020, through March 31, 2023. As state Medicaid and CHIP agencies resume regular eligibility and enrollment practices, many individuals may no longer be eligible for Medicaid or CHIP coverage starting as early as March 31, 2023. The U.S. Department of Health and Human Services **is offering a temporary Marketplace Special Enrollment period to allow these individuals to enroll in Marketplace coverage.**

Marketplace-eligible individuals who live in states served by [HealthCare.gov](https://www.healthcare.gov) and either- submit a new application or update an existing application on [HealthCare.gov](https://www.healthcare.gov) between March 31, 2023 and July 31, 2024, and attest to a termination date of Medicaid or CHIP coverage within the same time period, are eligible for a 60-day Special Enrollment Period. **That means that if you lose Medicaid or CHIP coverage between March 31, 2023, and July 31, 2024, you may be able to enroll in Marketplace coverage within 60 days of when you lost Medicaid or CHIP coverage.** In addition, if you or your family members are enrolled in Medicaid or CHIP coverage, it is important to make sure that your contact information is up to date to make sure you get any information about changes to your eligibility. To learn more, visit [HealthCare.gov](https://www.healthcare.gov) or call the Marketplace Call Center at 1-800-318-2596. TTY users can call 1-855-889-4325.

### What about Alternatives to Marketplace Health Insurance Coverage?

If you or your family are eligible for coverage in an employment-based health plan (such as an employer-sponsored health plan), you or your family may also be eligible for a Special Enrollment Period to enroll in that health plan in certain circumstances, including if you or your dependents were enrolled in Medicaid or CHIP coverage and lost that coverage. Generally, you have 60 days after the loss of Medicaid or CHIP coverage to enroll in an employment-based health plan, but if you and your family lost eligibility for Medicaid or CHIP coverage between March 31, 2023 and July 10, 2023, you can request this special enrollment in the employment-based health plan through September 8, 2023. Confirm the deadline with your employer or your employment-based health plan.

Alternatively, you can enroll in Medicaid or CHIP coverage at any time by filling out an application through the Marketplace or applying directly through your state Medicaid agency. Visit <https://www.healthcare.gov/medicaid-chip/getting-medicaid-chip/> for more details.

### How Can I Get More Information?

For more information about your coverage offered through your employment, please check your health plan's summary plan description or contact Cortney Worle.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost.   - If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.
- \*\*** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.
