How to Access your Benefits

Follow these easy steps to start using your New Benefits:

1. Download

Download the New Benefits mobile app from the App Store or Google™ play.

2. Register

Register your account on the app or the web portal – you only need to register once and your login will work for both.

3. Enter ID

Use your Group ID and Member ID from the front of your membership card.

4. Enter Email

Enter your email address – this will be your username for the app and portal.

5. Enter Phone Number

Enter your mobile phone number and a password, then proceed.

6. Confirm

You will be prompted to confirm your account through text message or email. Enter the code and continue.
