¹ Premium exceeds the US Tax Code maximum and will be reduced in later years to comply with §7702 Guideline Premium Test.

² Paying this premium violates the 7-Pay Test of §7702A, and would cause the certificate to lose its favorable tax status.

† Issue ages 71-80 require Evidence of Insurability for all amounts.

GUL23 is flexible premium adjustable group life insurance that pays the death benefit amount if the insured dies before age 95 and while the certificate is in force. Premiums are subject to Company set minimums and US Tax Code maximums. Interest rates and cost factors are subject to change. The interest rate is guaranteed never to go below 3.00% and costs are guaranteed not to exceed the maximums listed in the certificate. It is possible that coverage will expire when either no premiums are paid following the initial premium or subsequent premiums are insufficient to continue coverage.

¹ Premium exceeds the US Tax Code maximum and will be reduced in later years to comply with §7702 Guideline Premium Test.

² Paying this premium violates the 7-Pay Test of §7702A, and would cause the certificate to lose its favorable tax status.

† Issue ages 71-80 require Evidence of Insurability for all amounts.

This rate insert is incomplete without all rate pages and the corresponding materials. Details of the insurance, including exclusions and limitations, are included in the certificates issued. For additional information, you may contact your Allstate Benefits Representative.

A personalized illustration will be provided to the certificateholder at issue.

GUL23 is flexible premium adjustable group life insurance that pays the death benefit amount if the insured dies before age 95 and while the certificate is in force. Premiums are subject to Company set minimums and US Tax Code maximums. Interest rates and cost factors are subject to change. The interest rate is guaranteed never to go below 3.00% and costs are guaranteed not to exceed the maximums listed in the certificate. It is possible that coverage will expire when either no premiums are paid following the initial premium or subsequent premiums are insufficient to continue coverage.
