

# Your **pharmacy** benefits at your fingertips.

**Download the MC-Rx Mobile App today!** Find everything you need to manage your pharmacy benefits all in one convenient place. Whether you are checking prescription information, managing costs, or finding nearby pharmacies, MC-Rx helps you navigate your benefits with ease.

## What's Included

1. **My Card:** View everything you need to fill your prescriptions including your MaxCare ID card, member number, and Plan ID number.
2. **My Claims:** Check details about your claims, including what you paid and what your employer covered.
3. **Drug Search:** Look up information about your prescribed medications.
4. **My Copay:** See an estimated cost of your prescription before you go to the pharmacy. *Remember, the price you see in the app may not be the same as what you will pay at the pharmacy. Always ask your pharmacist to make sure you are getting the best price.*
5. **Pharmacy:** Search for pharmacies near you with the pharmacy locator tool.
6. **Favorites:** Track your preferred pharmacists, doctors, and medications.
