Identity theft is a rising concern and it can happen to anyone.

Identify Theft Assistance can offer you peace of mind by providing step-by-step coaching and assistance if your identity is stolen.

Fraud assistance

- **Three-bureau fraud alert placement assistance:** Upon your request, the three major credit bureaus can be contacted and informed about your lost or stolen credit cards to ensure the incident is reported.

Document replacement and financial assistance

- **Lost wallet assistance:** If your debit or credit cards are lost or stolen, Identity Theft Assistance will contact your bank and credit card companies with you on the phone to alert them that the cards were lost or stolen and could be compromised. They'll also provide information to help you replace lost items such as your driver's license and Social Security card.
- **Lost passport replacement:** If your passport is lost or stolen, Identity Theft Assistance will assist you in securing an emergency passport replacement, including locating the nearest consulate or embassy if the loss occurs while you're traveling.
- **Emergency cash advance assistance:** If needed, Identity Theft Assistance will assist you in obtaining cash advances from family or friends.
