I. Definitions

“Adverse Determination” means a determination by us that a dental care service that is a covered benefit has been reviewed and, based upon the information provided, does not meet our requirements for medical necessity, and the requested service or payment for the service is therefore denied, reduced or terminated in whole or in part. “Adverse Determination” does not include a denial of coverage for a service or treatment specifically listed in plan or evidence of coverage documents as excluded from coverage.

“Final Adverse Determination” means an Adverse Determination involving a covered benefit that has been upheld by us at the completion of our internal grievance process.

II. Levels of Review

You may ask us to review our decisions about your benefits. In general, the following levels of review are available:

A. Internal Review

You may send us written comments or other items to support your claim. You may review and receive copies of any non-privileged information that is relevant to your appeal. There will be no charge for such copies. You may request the names of the experts we may have consulted who provided advice to us about your claim, and also request at no charge any clinical rationale relied upon by them for any benefit determinations related to clinical necessity.

The appeal review will be conducted by someone other than the person who denied the claim and will not be subordinate to that person. The person conducting the review will not give deference to the initial denial decision. If the denial was based in whole or in part on a medical judgment, including determinations with regard to whether a service was considered experimental, investigational, and/or not medically necessary, the person conducting the review will consult with a qualified health care professional. This health care professional will be someone other than the person who made the original judgment and will not be subordinate to that person. Our review will include any written comments or other items you submit to support your claim.

We will review your appeal promptly after we receive your request.

B. External Review - Standard

You or your authorized representative may file a written request for an external review with the Commissioner of the Iowa Division of Insurance within four months after any of the following events:

- a. The date of receipt of a Final Adverse Determination;
- b. Our failure to issue a written decision within thirty days following the date you or your authorized representative filed a grievance involving an Adverse Determination; or,
- c. We agree to waive the requirement that our internal grievance procedures must be exhausted before filing a request for external review.

To obtain information about the external review process, contact:

Iowa Insurance Division
601 Locust St. - 4th Floor
Des Moines, IA 50309-3738

Telephone: 515-281-6348
Toll Free: 877-955-1212
Fax: 515-281-3059
eMail: iid.marketregulation@iid.iowa.gov

When filing a request for external review, you will be required to authorize the release of any medical records that may be required to be reviewed for the purpose of reaching a decision on the request for external review.

Within one business day after the date of receipt of a request for external review, the Commissioner shall send a copy of the request to us.

Within five business days following receipt of the request from the Commissioner, we shall complete a preliminary review of the request to determine whether:

- a. You are or were a covered person at the time the service was requested or performed.
- b. The service that is the subject of the Adverse Determination or of the Final Adverse Determination is not covered because it does not meet the requirements for medical necessity, appropriateness, or effectiveness.
- c. You or your authorized representative have exhausted our internal grievance process, unless we agree to waive the requirement that our internal grievance procedures must be exhausted before filing a request for external review.
- d. You or your authorized representative have provided all the information and forms required to process an external review request.

Within one business day after completion of a preliminary review, we will notify the Commissioner, and you and or your authorized representative in writing whether the request is complete and whether the request is eligible for external review. If we determine the request is incomplete, we will notify you or your authorized representative and the commissioner in writing that the request is incomplete, and what materials are needed to make the request complete.

If we determine the request is not eligible for external review, we will issue a notice of initial determination in writing to you or your authorized representative and the commissioner indicating the reasons the request is not eligible for review. We will include a statement in the notice informing you or authorized representative that our initial determination of ineligibility may be appealed to the commissioner.

Within one business day after receipt of notice from us that a request for external review is eligible for external review or upon a determination by the Commissioner that a request is eligible for external review, the commissioner will:

- a. Assign an independent review organization from the list of approved independent review organizations maintained by the commissioner and notify us of the name.
- b. Notify you or your authorized representative in writing that the request is eligible.

C. Expedited External Review

Expedited external reviews are available to you or your authorized representative for any appeals involving a situation where the time frame of an internal review or standard review procedures would seriously jeopardize your life, health, or ability to regain maximum function. Immediately upon receipt of notice of a request for expedited external review, we will complete a preliminary review of the request to determine whether the request meets the eligibility requirements for external review. We will then immediately issue a notice of initial

determination informing the commissioner, and you, or your authorized representative of our eligibility determination including a statement informing you or your authorized representative of the right to appeal that determination to the commissioner.

**NOTICE OF PROTECTION PROVIDED BY
IOWA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a brief summary of the Iowa Life and Health Insurance Guaranty Association (the "Association") and the protection it provides for policyholders. This safety net was created under Iowa law, located at Iowa Chapter 508C, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, health insurance company or health maintenance organization becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Iowa law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in net cash surrender or withdrawal values
- Health Insurance
 - \$500,000 for health benefit plans (see definition below)
 - \$300,000 in disability income protection insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits, including net cash surrender and withdrawal values
- Annuities
 - \$250,000 in the present value of annuity benefits, including net cash surrender and withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$350,000. Special rules may apply with regard to health benefit plans.

"Health benefit plan" is defined in the applicable Iowa law and generally includes hospital or medical expense policies, contracts or certificates, or HMO subscriber contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as dental-only or vision-only insurance), Medicare Supplement insurance, disability income insurance and long-term care insurance.

Note: Certain policies and contracts may not be covered or fully covered. If coverage is available, it will be subject to substantial limitations and exclusions. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements under Iowa law.

Benefits provided by a long-term care rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity contract to which the long-term rider relates.

To learn more about the Association and the protections it provides, as well as those relating to group contracts or retirement plans, please visit the Association's website at www.ialifega.org, or contact:

The Association is subject to supervision of the Commissioner of the Iowa Insurance Division. Persons who desire to file a complaint to allege a violation of the laws governing the Association may contact the Iowa Insurance Division. State law provides that any suit against the Association shall be brought in the Iowa District Court in Polk County, Iowa.

Insurance companies and agents are not allowed by Iowa law to use the existence of the Association or its coverage to encourage you to purchase any form of insurance or HMO coverage. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and Iowa law, then Iowa law will control.

DEFINITIONS

COMPANY refers to Ameritas Life Insurance Corp. The words "we", "us" and "our" refer to Company. Our Home Office address is 5900 "O" Street, Lincoln, Nebraska 68510.

POLICYHOLDER refers to the Policyholder stated on the face page of the policy.

INSURED refers to a person:

- a. who is a Member of the eligible class; and
- b. who has qualified for insurance by completing the eligibility period, if any; and
- c. for whom the insurance has become effective.

CHILD. Child refers to the child of the Insured or a child of the Insured's spouse, if they otherwise meet the definition of Dependent.

DEPENDENT refers to:

- a. an Insured's spouse.
- b. each unmarried child through the end of the year in which they turn 26 years of age, for whom the Insured or the Insured's spouse is legally responsible, including natural born children, adopted children from the date of placement for adoption, and children covered under a Qualified Medical Child Support Order as defined by applicable Federal and State laws.
- c. each unmarried child age 26 or older who is Totally Disabled and becomes Totally Disabled as defined below while insured as a dependent under b. above. Coverage of such child will not cease if proof of dependency and disability is given within 31 days of attaining the limiting age and subsequently as may be required by us but not more frequently than annually after the initial two-year period following the child's attaining the limiting age. Any costs for providing continuing proof will be at our expense.

TOTAL DISABILITY describes the Insured's Dependent as:

1. Continuously incapable of self-sustaining employment because of mental retardation or physical handicap; and
2. Chiefly dependent upon the Insured for support and maintenance.

DEPENDENT UNIT refers to all of the people who are insured as the dependents of any one Insured.

PROVIDER refers to any person who is licensed by the law of the state in which treatment is provided within the scope of the license.

PARTICIPATING AND NON-PARTICIPATING PROVIDERS. A Participating Provider is a Provider who has a contract with Us to provide services to Insureds at a discount. A Participating Provider is also referred to as a "Network Provider". The terms and conditions of the agreement with our network providers are available upon request. Members are required to pay the difference between the plan payment and the Participating Provider's contracted fees for covered services. A Non-Participating Provider is any other provider and may also be referred to as an "Out-of-Network Provider." Members are required to pay the difference between the plan payment and the provider's actual fee for covered services. Therefore, the out-of-pocket expenses may be lower if services are provided by a Participating Provider.

PLAN EFFECTIVE DATE refers to the date coverage under the policy becomes effective. The Plan Effective Date for the Policyholder is shown on the policy cover. The effective date of coverage for an Insured is shown in the Policyholder's records.

All insurance will begin at 12:01 A.M. on the Effective Date. It will end after 11:59 P.M. on the Termination Date. All times are stated as Standard Time of the residence of the Insured.

PLAN CHANGE EFFECTIVE DATE refers to the date that the policy provisions originally issued to the Policyholder change as requested by the Policyholder. The Plan Change Effective date for the Policyholder will be shown on the policy cover, if the Policyholder has requested a change. The plan change effective date for an Insured is shown in the Policyholder's records or on the cover of the certificate.

CONDITIONS FOR INSURANCE COVERAGE

ELIGIBILITY

ELIGIBLE CLASS FOR MEMBERS. The members of the eligible class(es) are shown on the Schedule of Benefits. Each member of the eligible class (referred to as "Member") will qualify for such insurance on the day he or she completes the required eligibility period, if any. Members choosing to elect coverage will hereinafter be referred to as "Insured."

If employment is the basis for membership, a member of the Eligible Class for Insurance is any eligible employee electing EyeMed vision working at least 30 hours per week. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

If both spouses are Members, and if either of them insures their dependent children, then the spouse, whoever elects, will be considered the dependent of the other. As a dependent, the person will not be considered a Member of the Eligible Class, but will be eligible for insurance as a dependent.

ELIGIBLE CLASS FOR DEPENDENT INSURANCE. Each Member of the eligible class(es) for dependent coverage is eligible for the Dependent Insurance under the policy and will qualify for this Dependent Insurance on the first of the month falling on or first following the latest of:

1. the day he or she qualifies for coverage as a Member;
2. the day he or she first becomes a Member; or
3. the day he or she first has a dependent. For dependent children, a newborn child will be considered an eligible dependent upon reaching their 2nd birthday. The child may be added at birth or within 31 days of the 2nd birthday.

A Member must be an Insured to also insure his or her dependents.

If employment is the basis for membership, a member of the Eligible Class for Dependent Insurance is any eligible employee electing EyeMed vision working at least 30 hours per week and has eligible dependents. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

Any spouse who elects to be a dependent rather than a member of the Eligible Class for Personal Insurance, as explained above, is not a member of the Eligible Class for Dependent Insurance.

When a member of the Eligible Class for Dependent Insurance dies and, if at the date of death, has dependents insured, the Policyholder has the option of offering the dependents of the deceased employee continued coverage. If elected by the Policyholder and the affected dependents, the name of such deceased member will continue to be listed as a member of the Eligible Class for Dependent Insurance.

CONTRIBUTION REQUIREMENTS. Member Insurance: An Insured is required to contribute to the payment of his or her insurance premiums.

Dependent Insurance: An Insured is required to contribute to the payment of insurance premiums for his or her dependents.

SECTION 125. This program of coverage is provided as part of the Employer's Section 125 Plan. Each Member has the option under the Section 125 Plan of participating or not participating in this plan.

If a Member does not elect to participate when initially eligible, the Member may elect to participate at a subsequent Annual Election Period. The first Annual Election Period will be in May 2022 and those who elect to

participate in this program at that time will have their coverage become effective on June 1, 2022. Each Annual election Period thereafter will be in December for a January 1 effective date.

A Member may change their election option only during an Annual Election Period, except for a change in family status. Such events would be marriage, divorce, birth of a child, death of a spouse or child, or termination of employment of a spouse.

ELIGIBILITY PERIOD. For Members on the Plan Effective Date of the policy, coverage is effective immediately.

For persons who become Members after the Plan Effective Date of the policy, qualification will occur on the first of the month falling on or first following the eligibility period of 60 calendar day(s) of continuous active employment.

OPEN ENROLLMENT. If a Member does not elect to participate when initially eligible, the Member may elect to participate at the Policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on January 1.

If employment is the basis for membership in the Eligible Class for Members, an Insured whose eligibility terminates and is established again, may or may not have to complete a new eligibility period before he or she can again qualify for insurance.

EFFECTIVE DATE. Each Member has the option of being insured and insuring his or her Dependents. To elect coverage, he or she must agree in writing to contribute to the payment of the insurance premiums. The Effective Date for each Member and his or her Dependents, will be the first of the month falling on or first following:

1. the date on which the Member qualifies for insurance, if the Member agrees to contribute on or before that date.
2. the date on which the Member agrees to contribute, if that date is within 31 days after the date he or she qualifies for insurance.

EXCEPTIONS. If employment is the basis for membership, a Member must be in active service on the date the insurance, or any increase in insurance, is to take effect. If not, the insurance will not take effect until the day he or she returns to active service. Active service refers to the performance in the customary manner by an employee of all the regular duties of his or her employment with his or her employer on a full time basis at one of the employer's business establishments or at some location to which the employer's business requires the employee to travel.

A Member will be in active service on any regular non-working day if he or she is not totally disabled on that day and if he or she was in active service on the regular working day before that day.

If membership is by reason other than employment, a Member must not be totally disabled on the date the insurance, or any increase in insurance, is to take effect. The insurance will not take effect until the day after he or she ceases to be totally disabled.

TERMINATION DATES

INSUREDS. The insurance for any Insured, will automatically terminate on the end of the month falling on or next following the **earliest of:**

1. the date the Insured ceases to be a Member;
2. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
3. the date the policy is terminated.

DEPENDENTS. The insurance for all of an Insured's dependents will automatically terminate on the end of the month falling on or next following the **earliest of:**

1. the date on which the Insured's coverage terminates;
2. the date on which the Insured ceases to be a Member;
3. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
4. the date all Dependent Insurance under the policy is terminated.

The insurance for any Dependent will automatically terminate on the end of the month falling on or next following the day before the date on which the dependent no longer meets the definition of a dependent. For those Dependents whose coverage terminates because they no longer meet the definition of a Dependent as a result of a limiting age (See "Definitions"), insurance will continue in force throughout the remainder of that year but will automatically terminate December 31 of the year following the attainment of that limiting age.

CONTINUATION OF COVERAGE. If coverage ceases according to TERMINATION DATE, some or all of the insurance coverages may be continued. Contact your plan administrator for details.

Notice must be given to us at our Home Office, or to one of our agents. Notice should include the Policyholder's name, Insured's name, and policy number. If it was not reasonably possible to give written notice within the 90 day period stated above, we will not reduce or deny a claim for this reason if notice is filed as soon as is reasonably possible.

If these forms are not furnished within 15 days after the giving of such notice, the claimant will meet our proof of loss requirements by giving us a written statement of the nature and extent of loss within the time limit for filing proofs of loss.

PROOF OF LOSS. Written proof of loss must be given to us within 90 days after the incurred date of the services provided for which benefits are payable. If it is impossible to give written proof within the 90 day period, we will not reduce or deny a claim for this reason if the proof is filed as soon as is reasonably possible. For Eye Care benefits that use either the EyeMed or VSP network, please refer to the limitations section on the Eye Care Expense Benefits page.

INCONTESTABILITY. Any statement made by the Policyholder to obtain the Policy is a representation and not a warranty. No misrepresentation by the Policyholder will be used to deny a claim or to deny the validity of the Policy unless:

1. The Policy would not have been issued if we had known the truth; and
2. We have given the Policyholder a copy of a written instrument signed by the Policyholder that contains the misrepresentation.

The validity of the Policy will not be contested after it has been in force for one year, except for nonpayment of premiums or fraudulent misrepresentations.

 1. The date on which Insurance would otherwise end; and
 2. The date on which the Employer or Plan Administrator gave the Qualified Beneficiary notice of the right to COBRA continuation.
- B. A Qualified Beneficiary who does not elect COBRA Continuation coverage during their original election period may be entitled to a second election period if the following requirements are satisfied:
 1. The Member's Insurance ended because of a trade related termination of their employment, which resulted in being certified eligible for trade adjustment assistance;
 2. The Member is certified eligible for trade adjustment assistance (as determined by the appropriate governmental agency) within 6 months of the date Insurance ended due to the trade related termination of their employment; and
 3. The Qualified Beneficiary must apply in writing within 60 days after the first day of the month in which they are certified eligible for trade adjustment assistance.

iii. Notice Requirements

- 6. Within 14 days of receipt of the Employer's notice, the Plan Administrator must notify each Qualified Beneficiary in writing of the right to elect COBRA continuation.

In order to protect your rights, Members and Qualified Beneficiaries should inform the Plan Administrator in writing of any change of address.

iv. COBRA Continuation Period

1. 18-month COBRA Continuation

Each Qualified Beneficiary may continue Insurance for up to 18 months after the date of Qualifying Event 2 or 3.

2. 29-month COBRA Continuation

Each Qualified Beneficiary, who is entitled to COBRA continuation due to the occurrence of Qualifying Event 2 or 3 and who is disabled at any time during the first 60 days of continuation coverage as determined by the Social Security Administration pursuant to Title II or XVI of the Social Security Act, may continue coverage for up to 29 months after the date of the Qualifying Event. All Insured Persons in the Qualified Beneficiary's family may also continue coverage for up to 29 months.

Each Qualified Beneficiary who is entitled to continue Insurance for 18 or 29 months may be eligible to continue coverage for up to 36 months after the date of their original Qualifying Event if a second Qualifying Event occurs while they are on continuation coverage.

Note: The total period of COBRA continuation available in 1 through 3 will not exceed 36 months.

4. COBRA Continuation For Certain Bankruptcy Proceedings

If the Qualifying Event is 7, the COBRA continuation period for a retiree or retiree's Spouse is the lifetime of the retiree. Upon the retiree's death, the COBRA continuation period for the surviving Dependents is 36 months from the date of the retiree's death.

v. **Premium Requirements**

Insurance continued under this provision will be retroactive to the date insurance would have ended because of a Qualifying Event. The Qualified Beneficiary must pay the initial required premium not later than 45 days after electing COBRA continuation, and monthly premium on or before the Premium Due Date thereafter. The monthly premium is a percentage of the total premium (both the portion paid by the employee and any portion paid by the employer) currently in effect on each Premium Due Date. The premium rate may change after you cease to be Actively at Work. The percentage is as follows:

18 month continuation - 102%

29 month continuation - 102% during the first 18 months, 150% during the next 11 months

36 month continuation - 102%

5. The first date on which the Qualified Beneficiary is: (a) covered under another group Eye Care policy and (b) not subject to any preexisting condition limitation in that policy.

H. Your Rights under ERISA

As a participant in this Plan, you are entitled to certain rights and protections under the Employment Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as work-sites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Continue Group Health Plan Coverage

Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to operate and administer this plan prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Rights

If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling those publications hotline of the Employee Benefits Security Administration

You and any covered dependents will not be subject to any evidence of good health requirement provided under the Plan. Any partially-satisfied waiting periods, including any limitations for a preexisting condition, which are interrupted during the period of time premium was not paid will continue to be applied once coverage is reinstated.
4. You and Your dependents are subject to all conditions and limitations of the Plan during Your leave, except that anything in conflict with the provisions of the FMLA will be construed in accordance with the FMLA.

Special Enrollment

An eligible person who has not previously enrolled for coverage may be able to enroll during a special enrollment period.

A special enrollment period of 31 days is allowed for:

A loss of eligibility includes that due to moving out of the service area of an HMO or other arrangement that only provides benefits to individuals who reside, live or work in the service area, or exhausting the lifetime limit on all benefits.

The other coverage was not COBRA coverage and the employer ceased to make a contribution for the coverage.

A special enrollment period of 60 days is allowed for:
