

Introducing the **NEW** MyBenefits Online Portal & Mobile App!

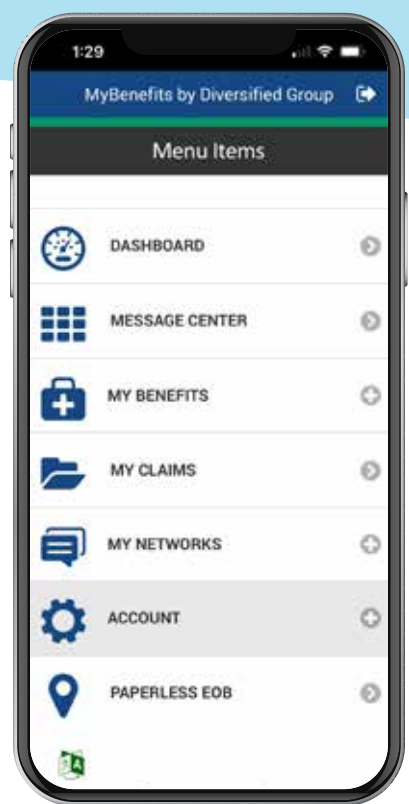

Easy-to-use tools from Diversified Group help you get the most of your health benefits. Our NEW MyBenefits online portal and mobile app provide 24/7 access to important health information.

Benefits information at your fingertips...

- View medical claims, Rx claims and EOBs
- Access and print plan documents and ID cards
- Find providers, manage prescriptions and more
- Review expenses applied to your deductible and OOP maximums

Get Started Today!

Online and mobile tools are just one of the ways Diversified Group helps your employer-sponsored health plan benefit you. To get started, visit dgb-online.com/MyBenefits or simply download the MyBenefits by Diversified Group app from iTunes or Google Play.
