THE FINE PRINT

The Hoffman Auto Group wellness program is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program, you will be asked to complete an Annual Physical with Lab Work, which will include a lipid panel/glucose blood test and body measurements as well as have your physician attest to whether you use tobacco or not. You must complete the 6-week Wellworks For You Tobacco Cessation e-Learning Series if a tobacco user. You are not required to complete these components. However, employees and spouses covered by the medical plan who choose to participate in the wellness program will receive a premium differential effective 1/1/2024. In addition, if an employee or spouse covered by the medical plan checks into a gym 8 times per month or logs 10,000 steps for 20 days out of the month, they will be rewarded with \$15.00 up to maximum of \$45.00 per quarter.
