

MedsYourWay delivers the best price to employees through an integrated shopping experience.

Your pharmacy benefit now offers MedsYourWay, administered by Inside Rx via home delivery through Amazon Pharmacy to help employees get non-specialty medicines. The offering includes the built-in MedsYourWay discount card¹ that provides employees additional savings opportunities through Amazon Pharmacy.

INDUSTRY-LEADING CUSTOMER SHOPPING EXPERIENCE

Medication home delivery programs can be hard for employees to navigate. MedsYourWay makes it easier by using the familiar Amazon shopping environment backed by industry leading performance guarantees:

- **QUICK AND EASY** sign up process
- **INTEGRATES** with employee's plan information
- **EASY** to navigate with both web and app enablement
- **OPTION FOR 90+ DAY FILLS**

LOWER COSTS ON GENERIC AND MAINTENANCE DRUGS

More and more employees are finding better prices through drug discount cards rather than using their pharmacy benefits. MedsYourWay solves for this by offering:

- **BUILT-IN MEDSYOURWAY DISCOUNT CARD**, surfacing the lowest price during checkout
- **ACCUMULATION TOWARD** out-of-pocket maximums and deductibles for covered purchases, unlike other discount cards

DELIVERY PROMISE GUARANTEES

With MedsYourWay, employees will receive a confirmed delivery date at checkout.

- **REAL-TIME** package tracking
- **FREE EXPEDITED DELIVERY** for Amazon Prime members on most orders, and free standard delivery for non-Amazon Prime members
