

Our Vision is in your future

See Clearly to Live Fully

Understanding what's available to you and how to get the most out of your Avēsis vision plan helps keep your out-of-pocket expenses low. Our extensive provider network offers services at a good cost with quality oph, opt, and major retailers near you. **Your plan includes the benefits below.**

Routine Eye Exam

Your plan provides coverage for an annual comprehensive eye exam, covered in full (after copay, if applicable). Those routine eye exams can anticipate a host of health issues:¹

- Diabetes
- High blood pressure
- High cholesterol
- Glaucoma, cataracts, macular degeneration
- Thyroid disease
- Autoimmune disorders
- Tumors
- Cancer

FRAMES

Your plan entitles you to a pair of frames up to your frame allowance.

Standard Spectacle Lenses

Your plan entitles you to a pair of standard spectacle lenses, covered in full after a materials copay (if applicable).

Contact Lenses

Your plan covers contact lenses up to your plan allowance, instead of frames and spectacle lenses.

LASIK Benefit

The one-time LASIK benefit is in addition to, not in place of, your eyeglass or contact lens benefit. Using our LASIK partner, Quallsight, saves members up to 25 percent on the provider's lowest advertised price. For participating providers, visit <https://www.quallsight.com/-avesis>.

Enhanced Vision

You can access and manage your benefits from the member portal at www.avesis.com.

If you have questions about your vision care benefits, please contact your HR department. Check out the FAQ section at www.avesis.com/members for answers to common questions.

Using your benefits is easy as 1-2-3.

1. Locate a provider.

Use our provider directory — at www.avesis.com, or at 855-214-6777 — to find a provider within a 5- to 50-mile radius.

2. Make an appointment.

Identify yourself as an Avēsis member. The provider's staff will verify benefits before your visit.

3. See the provider.

That's it! You can relax knowing that our in-network providers give you the best value — in both benefit dollars and satisfaction.
