| Q | virgin pulse app for android | л |

2. Tap the Virgin Pulse logo to open the download screen. Next tap on "Install".

3. **If you've already registered** for an account on the Virgin Pulse/SimplePay Health member portal from your computer or a different mobile device, enter your existing email/username and password, click "Sign In", and skip to step 4.

**If you've never registered**, click on "Create Account". You will be prompted to search for your sponsor. Search for and select "SimplePay Health". Then follow the prompts to enter the information to create your account and sign in.

4. Upon first login to the app, you will be prompted with a few options – connecting an activity tracker, turning on daily healthy routine reminders, updating the app icon to the SimplePay icon. Setup any of these now or later from your Profile > Devices & Apps or Profile > Settings.

5. Now you'll be on the SimplePay Health/Virgin Pulse portal Home screen. The main SimplePay Health plan tools and resources are located in the Benefits domain of the portal. "Benefits" is located in the center of the bottom navigation bar of the app. Search for the benefit you're looking for in the search bar, or "View all" to scroll through all the benefits information available to you. You can also save benefits you'll come back to often in your "Saved" list.

## **Navigation Hints:**

1. To view, print, or request your SimplePay Health ID card: From the Benefits page, use the search bar or scroll the "View all" list to find and tap on "Member ID Card", and then tap on "Start Now".

**Please note**, you will be required to complete a registration process when accessing your member ID card for the first time. This will only be required one time, as the portal will automatically connect you thereafter.
