## Important updates to your Blue Cross Blue Shield coverage!

Effective January 1, 2024, Magnum LTD medical and prescription drug plan(s) will transition to Blue Cross Blue Shield of North Dakota. We want to be proactive and help you prepare for Open Enrollment. Outlined is key information regarding your coverage.

### BENEFITS

You will see a few minor changes to your existing benefit and offerings. Please refer to the benefit grids in your Open Enrollment materials for more details.

### PROVIDER NETWORK

Your plan utilizes a PPO-based network which comes with a wide variety of options when it comes to care. With PPO Network coverage, you have broad access to doctors, hospitals, specialists, and urgent care centers. Close to home. Coast to coast. Around the globe.

### ALLMYHEALTH

Manage your benefits and reach your health goals with **AllMyHealth**. With **AllMyHealth**, you will be able to access your virtual member ID card, utilize telehealth, manage your costs and claims, and search for care. Personalize your digital experience by completing your health assessment and explore the programs and benefits available to you. Download the **AllMyHealth** app or visit **AllMyHealth.com** today.

### ID CARD

Be on the look out for your new ID cards around January 1, 2024. Please share your new ID card with your providers and pharmacies starting January 1. Your ID card will also be accessible on **AllMyHealth**.

### Questions?

We've got your back. Call **Member Services at 1-844-946-6236** for your own team of health pros on your side. They can help with finding a doctor and set up appointments, provide details on your health plan, and answer questions about claims, billing, or anything else you can't find on **AllMyHealth**.
