

Your Rx Choice Tiered Network

Many choices and great coverage.
Here's how it works.

We've created a network of pharmacies to give you lots of choices and flexibility when you fill prescriptions. The Rx Choice Tiered Network operated by our pharmacy benefits manager, Express Scripts, includes many popular grocery chains, stores and independent drugstores to choose from.

Two levels of coverage

You'll be able to choose from two levels of coverage in the network.

Level 1 includes nearly 25,000 pharmacies where you can get your prescriptions filled for the copay or percentage of the drug costs you normally pay as part of your prescription drug plan. Level 1 includes popular chains such as:

- CVS
- Target
- Walmart
- Kroger
- Giant Eagle

Level 2 offers you more pharmacy choices, but you'll also pay a little more — an extra amount on top of your share of the drug cost, depending on your benefit — no matter which drug you fill. Pharmacies available on Level 2 include:

- Walgreens
- Rite Aid

What's the bottom line?

You can save on out-of-pocket costs if you fill your prescription at a Level 1 pharmacy. If you've been using a Level 2 pharmacy, you can keep using it and pay the extra cost, or you can switch to a Level 1 pharmacy and save money.

Whether you choose Level 1 or Level 2, the Rx Choice Tiered Network still gives you many choices to fill your prescriptions. Combined, the two levels include more than 70,000 pharmacies around the country.
