CLAIM INFORMATION

SHORT TERM DISABILITY

WHEN DO YOU NOTIFY UNUM OF A CLAIM?

We encourage you to notify us of your claim as soon as possible, so that a claim decision can be made in a timely manner. Written notice of a claim should be sent within 20 days after the date your disability begins. Failure to give notice within such time shall not invalidate nor reduce any claim if it shall be shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.

The claim form is available from your Employer, or you can request a claim form from us. If the form is not provided within 15 days, then the person making the claim will be considered to have complied with this policy's proof of loss requirement if he or she submits written proof covering the occurrence, character and extent of the loss of the claim within the policy's allowed time period for filing proof of loss.

You must send Unum written proof of your claim no later than 90 days after your elimination period. If it is not possible to give proof within 90 days, it must be given no later than 1 year after the time proof is otherwise required except in the absence of legal capacity. Failure to furnish such proof within such time shall not invalidate nor reduce any claim if it was not reasonably possible to furnish such proof within such time, provided such proof is furnished as soon as reasonably possible. In no event can proof of your claim be submitted after the expiration of the time limit for commencing a legal proceeding as stated in this policy, even if your failure to provide proof of claim is due to a lack of legal capacity or if state law provides an exception to the one year time period.

If you submit a claim before you have been notified of our decision on any coverage amount requiring evidence of insurability, your amount of coverage will be determined as if our final underwriting decision had been made prior to the date of claim.

You must notify us immediately when you return to work in any capacity.

HOW DO YOU FILE PROOF OF CLAIM?

You and your Employer must fill out your own sections of the claim form and then give it to your attending physician. Your physician should fill out his or her section of the form and send it directly to Unum.

The form to use to submit your proof of claim is available from your Employer, or you can request the form from us. If you do not receive the form from Unum or your Employer within 15 days of your request, you will be deemed to have complied with the requirements of this policy as to proof of loss if you provide, within the proof of loss period per the terms of this policy, written proof covering the occurrence, character and extent of your claim.

WHAT INFORMATION IS NEEDED AS PROOF OF YOUR CLAIM?

Your proof of claim, provided at your expense, must show:

- the appropriate documentation of your weekly earnings;
- the date your disability began;
- the cause of your disability;
- the extent of your disability, including restrictions and limitations preventing you from performing your regular occupation; and
- the name and address of any **hospital or institution** where you received treatment, including all attending physicians.

You must be under the **regular care** of a **physician** unless regular care:

- will not improve your disabling condition(s); or
- will not prevent a worsening of your disabling condition(s).

We may request that you send proof of continuing disability indicating that you are under the regular care of a physician. This proof, provided at your expense, must be received within 45 days of a request by us.

In some cases, you will be required to give Unum authorization to obtain additional medical information, and to provide non-medical information as part of your proof of claim, or proof of continuing disability. Unum will deny your claim, or stop sending you payments, if the appropriate information is not submitted.

We may require, at Unum's expense, that the person for whom a claim is being made be examined by a physician, other medical practitioner and/or vocational expert of our choice as reasonably often as is necessary for the duration of the claim.

An untimely claim will not be invalidated or reduced if it was provided as soon as reasonably possible. All accrued benefits for loss of time, subject to due proof of loss, will be paid during the time we are liable at a monthly or more frequent rate and any balance remaining unpaid at the end of such period will be paid as soon as possible after receipt of proof.

TO WHOM WILL UNUM MAKE PAYMENTS?

Unum will make payments to you.

WHAT HAPPENS IF UNUM OVERPAYS YOUR CLAIM?

Unum has the right to recover any overpayments due to:

- fraud;
- any error Unum makes in processing a claim;
- disability earnings; or
- deductible sources of income.

You must reimburse us in full. We will determine the method by which the repayment is to be made which may include reducing or withholding future payments including the minimum weekly payment.

Unum will not recover more money than the amount we paid you. We must request reimbursement within 12 months of the date of the overpayment.

Any unpaid premium due for your coverage under this policy may be recovered by us by offsetting against amounts otherwise payable to you under this policy, or by other legally permitted means.

GENERAL PROVISIONS

WHAT IS THE CERTIFICATE OF COVERAGE?

This certificate of coverage is a written statement prepared by Unum and may include attachments. It tells you:

- the coverage for which you may be entitled;
- to whom Unum will make a payment; and
- the limitations, exclusions and requirements that apply within a plan.

WHEN ARE YOU ELIGIBLE FOR COVERAGE?

If you are working for your Employer in an eligible group, the date you are eligible for coverage is the later of:

- the plan effective date; or
- the day after you complete your **waiting period**.

WHEN DOES YOUR COVERAGE BEGIN?

When your Employer pays 100% of the cost of your coverage under a plan, you will be covered at 12:01 a.m. on the date you are eligible for coverage.

When you and your Employer share the cost of your coverage under a plan or when you pay 100% of the cost yourself, you will be covered at 12:01 a.m. on the latest of:

- the date you are eligible for coverage, if you apply for insurance on or before that date;
- the date you apply for insurance, if you apply within 31 days after your eligibility date; or
- the date Unum approves your application, if **evidence of insurability** is required.

Evidence of insurability is required if you:

- are a late applicant, which means you apply for coverage more than 31 days after the date you are eligible for coverage; or
- voluntarily cancelled your coverage and are reapplying.

An evidence of insurability form can be obtained from your Employer.

WHAT IF YOU ARE ABSENT FROM WORK ON THE DATE YOUR COVERAGE WOULD NORMALLY BEGIN?

If you are absent from work due to injury, sickness, temporary layoff or leave of absence, your coverage will begin on the date you return to **active employment**.

ONCE YOUR COVERAGE BEGINS, WHAT HAPPENS IF YOU ARE TEMPORARILY NOT WORKING?

If you are on a temporary **layoff**, and if premium is paid, you will be covered through the end of the month that immediately follows the month in which your temporary layoff begins.

If you are on a **leave of absence**, and if premium is paid, you will be covered for up to 8 weeks following the date your leave of absence begins.

WHEN WILL CHANGES TO YOUR COVERAGE TAKE EFFECT?

Once your coverage begins, any increased or additional coverage will take effect immediately if you are in active employment or if you are on a covered layoff or leave of absence. If you are not in active employment due to injury or sickness, any increased or additional coverage will begin on the date you return to active employment.

Any decrease in coverage will take effect immediately but will not affect a **payable claim** that occurs prior to the decrease.

WHEN DOES YOUR COVERAGE END?

Your coverage under the policy or a plan ends on the earliest of:

- the date the policy or a plan is cancelled;
- the date you no longer are in an eligible group;
- the date your eligible group is no longer covered;
- the last day of the period for which you made any required contributions; or
- the last day you are in active employment except as provided under the covered layoff or leave of absence provision.

Unum will provide coverage for a payable claim which occurs while you are covered under the policy or plan.

WHAT ARE THE TIME LIMITS FOR LEGAL PROCEEDINGS?

You can start legal action regarding your claim 60 days after proof of claim has been given and up to 3 years from the later of when original proof of your claim was first required to have been given; or your claim was denied; or your benefits were terminated, unless otherwise provided under federal law.

HOW CAN STATEMENTS MADE IN YOUR APPLICATION FOR THIS COVERAGE BE USED?

Unum considers any statements you or your Employer make in a signed application for coverage a representation and not a warranty. If any of the statements you or your Employer make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

We will use only statements made in a signed application as a basis for doing this. These statements cannot be used to reduce or deny coverage if your coverage has been in force for at least 2 years.

However, if the Employer gives us information about you that is incorrect, we will:

- use the facts to determine if you have coverage under the plan according to the policy provisions and in what amounts; and

- make a fair adjustment of the premium.

HOW WILL UNUM HANDLE INSURANCE FRAUD?

Unum wants to ensure you and your Employer do not incur additional insurance costs as a result of the undermining effects of insurance fraud. Unum promises to focus on all means necessary to support fraud detection, investigation, and prosecution.

It is a crime if you knowingly, and with intent to injure, defraud or deceive Unum, or provide any information, including filing a claim, that contains any false, incomplete or misleading information. These actions, as well as submission of materially false information, will result in denial of your claim, and are subject to prosecution and punishment to the full extent under state and/or federal law. Unum will pursue all appropriate legal remedies in the event of insurance fraud.

DOES THE POLICY REPLACE OR AFFECT ANY WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE?

The policy does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.

DOES YOUR EMPLOYER ACT AS YOUR AGENT OR UNUM'S AGENT?

For purposes of the policy, your Employer acts on its own behalf or as your agent. Under no circumstances will your Employer be deemed the agent of Unum.

SHORT TERM DISABILITY

BENEFIT INFORMATION

HOW DOES UNUM DEFINE DISABILITY?

You are disabled when Unum determines that due to your **sickness** or **injury**:

1. You are unable to perform the **material and substantial duties** of your **regular occupation** and are not working in your regular occupation or any other occupation

or,

2. You are unable to perform one or more of the material and substantial duties of your regular occupation, and you have a 20% or more loss in your **weekly earnings** while working in your regular occupation or in any occupation.

If you have a Cesarean section, you will be considered disabled for a minimum period of 8 weeks beginning on the date of your Cesarean section, unless you return to work prior to the end of the 8 weeks.

You must be under the **regular care** of a **physician** unless regular care:

- will not improve your disabling condition(s); or
- will not prevent a worsening of your disabling condition.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

WHAT INCOME IS NOT INCLUDED WHEN DETERMINING IF YOU MEET THE INCOME LOSS REQUIREMENT IN THE DEFINITION OF DISABILITY?

When calculating any loss in your weekly earnings Unum will not include as earnings, if received during your elimination period and for the maximum period of payment, the following, but not limited to:

- commissions, bonuses, deferred income payments, K-1 earnings, sick pay/PTO, partnership or proprietorship earnings or similar earnings that you receive if such earnings were generated as a result of work you performed prior to becoming disabled; and
- payments from your Employer that do not represent payment for work performed during your period of disability.

However, all the above listed income will be taken into account in determining and calculating any benefit you might be due, whether you are working or not.

HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO RECEIVE BENEFITS?

You must be continuously disabled through your **elimination period**.

If your disability is the result of an injury that occurs while you are covered under the plan, your elimination period is 7 days.

If your disability is the result of a sickness, your elimination period is 7 days.

CAN YOU SATISFY YOUR ELIMINATION PERIOD IF YOU ARE WORKING?

Yes, provided you meet the definition of disability.

WHEN WILL YOU BEGIN TO RECEIVE PAYMENTS?

You will begin to receive payments when we approve your claim, providing the elimination period has been met and you are disabled. We will send you a payment weekly for any period for which Unum is liable.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED?

We will follow this process to figure your payment:

1. Multiply your weekly earnings by 60%.
2. The maximum **weekly benefit** is \$2,000.
3. Compare the answer from Item 1 with the maximum weekly benefit. The lesser of these two amounts is your **gross disability payment**.
4. Subtract from your gross disability payment any **deductible sources of income**.

The amount figured in Item 4 is your **weekly payment**.

Your weekly payment may be reduced based on your disability earnings.

If, at any time after the elimination period, you are disabled for less than 1 week, we will send you 1/7th of your weekly payment for each day of disability.

WHAT ARE YOUR WEEKLY EARNINGS?

"Weekly Earnings" means your gross weekly income from your Employer, not including shift differential, in effect just prior to your date of disability. It includes your total income before taxes. It is prior to any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. It includes income actually received from commissions and bonuses but does not include overtime pay, any other extra compensation or income received from sources other than your Employer.

Bonuses and Commissions will be averaged for the lesser of:

- a. the 2 calendar years just prior to the date disability begins; or
- b. the period of actual employment, if not employed in the 2 prior calendar years.

WHAT WILL WE USE FOR WEEKLY EARNINGS IF YOU BECOME DISABLED DURING A COVERED LAYOFF OR LEAVE OF ABSENCE?

If you become disabled while you are on a covered layoff or leave of absence, we will use your weekly earnings from your Employer in effect just prior to the date your absence begins.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED AND HAVE DISABILITY EARNINGS?

We will send you the weekly payment if you are disabled and your weekly **disability earnings** are less than 20% of your weekly earnings due to the same sickness or injury.

If you are disabled and your weekly disability earnings are 20% or more of your weekly earnings due to the same sickness or injury, Unum will figure your payment as follows:

While working during the first 12 weeks of payments, your weekly payment will not be reduced as long as disability earnings plus the gross disability payment does not exceed 100% of your weekly earnings.

1. Add your weekly disability earnings to your disability payment.
2. compare the answer Item 1 to your weekly earnings.

If the answer from Item 1 is less than or equal to 100% of your weekly earnings, Unum will not further reduce your weekly payment.

If the answer from Item 1 is more than 100% of your weekly earnings, Unum will subtract the amount over 100% from your weekly payment. If subtracting the amount over 100% from your weekly payment results in a payment that is less than the great of \$35 or 15% of your gross disability payment, Unum will pay the greater of \$35 or 15% of your gross disability payment.

This is the amount Unum will pay you for each week.

Unum may require you to send proof of your disability earnings each week. We will adjust your weekly payment based on your disability earnings.

As part of your proof of disability earnings, we can require that you send us appropriate financial records, which may include income tax returns, which we believe are necessary to substantiate your income.

HOW DO WE PROTECT YOU IF YOUR DISABILITY EARNINGS FLUCTUATE?

If your disability earnings have fluctuated from week to week, Unum may determine your benefit eligibility based on the average of your disability earnings over the most recent 3 weeks.

WHAT ARE DEDUCTIBLE SOURCES OF INCOME?

Unum will subtract from your gross disability payment the following deductible sources of income:

1. The amount that you receive or are entitled to receive as disability income or disability retirement payments under any:
 - state compulsory benefit **act** or **law**.
 - group plan sponsored by your Employer.
 - other group insurance plan.

- **governmental retirement system.**
2. The amount that you receive:
 - under the mandatory portion of any "no fault" motor vehicle **plan**.
 - under Title 46, United States Code Section 688 (The Jones Act).
 3. The amount that you receive as retirement payments under any governmental retirement system. Retirement payments do not include payments made at the later of age 62 or normal retirement age under your Employer's retirement plan which are attributable to contributions you made on a post tax basis to the system.

Regardless of how retirement payments are distributed, Unum will consider payments attributable to your post tax contributions to be distributed throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

4. The amount that you:
 - receive as disability payments under your Employer's **retirement plan**.
 - voluntarily elect to receive as retirement payments under your Employer's retirement plan.
 - receive as retirement payments when you reach the later of age 62 or normal retirement age, as defined in your Employer's retirement plan.

Disability payments under a retirement plan will be those benefits which are paid due to disability and do not reduce the retirement benefit which would have been paid if the disability had not occurred.

Retirement payments will be those benefits which are based on your Employer's contribution to the retirement plan. Disability benefits which reduce the retirement benefit under the plan will also be considered as a retirement benefit.

Regardless of how the retirement funds from the retirement plan are distributed, Unum will consider your and your Employer's contributions to be distributed simultaneously throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

Unum will only subtract deductible sources of income which are payable as a result of the same disability.

WHAT ARE NOT DEDUCTIBLE SOURCES OF INCOME?

Unum will not subtract from your gross disability payment income you receive from, but not limited to, the following:

- 401(k) plans
- profit sharing plans
- thrift plans
- tax sheltered annuities
- stock ownership plans
- non-qualified plans of deferred compensation
- pension plans for partners
- military pension and disability income plans
- credit disability insurance
- franchise disability income plans
- a retirement plan from another Employer
- individual retirement accounts (IRA)
- individual disability income plans
- **salary continuation** or **accumulated sick leave** plans

WHAT IF SUBTRACTING DISABILITY EARNINGS AND/OR DEDUCTIBLE SOURCES OF INCOME RESULTS IN A BENEFIT LESS THAN \$25? (Minimum Weekly Benefit)

The minimum weekly payment is the greater of:

- \$35; or
- 15% of your gross disability payment plans. .

Unum may apply this amount toward an outstanding overpayment.

WHAT IF UNUM DETERMINES YOU MAY QUALIFY FOR DEDUCTIBLE INCOME BENEFITS?

When we determine that you may qualify for benefits under Item(s) 1 in the deductible sources of income section, we will estimate your entitlement to these benefits. We can reduce your payment by the estimated amounts if such benefits:

- have not been awarded; and
- have not been denied; or
- have been denied and the denial is being appealed.

Your Short Term Disability payment will NOT be reduced by the estimated amount if you:

- apply for the disability payments under Item(s) 1 in the deductible sources of income section and appeal your denial to all administrative levels Unum feels are necessary; and
- sign Unum's payment option form. This form states that you promise to pay us any overpayment caused by an award.

If your payment has been reduced by an estimated amount, your payment will be adjusted when we receive proof:

- of the amount awarded; or
- that benefits have been denied and all appeals Unum feels are necessary have been completed. In this case, a lump sum refund of the estimated amount will be made to you.

If you receive a lump sum payment from any deductible sources of income, the lump sum will be pro-rated on a weekly basis over the time period for which the sum was given. If no time period is stated, the sum will be pro-rated on a weekly basis to the end of the maximum period of payment.

HOW LONG WILL UNUM CONTINUE TO SEND YOU PAYMENTS?

Unum will send you a payment each week up to the **maximum period of payment**. Your maximum period of payment is 12 weeks during a continuous period of disability.

WHEN WILL PAYMENTS STOP?

We will stop sending you payments and your claim will end on the earliest of the following:

- when you are able to work in your regular occupation on a **part-time basis** and you do not;
- the end of the maximum period of payment;
- the date you are no longer disabled under the terms of the plan, unless you are eligible to receive benefits under Unum's Rehabilitation and Return to Work Assistance program;
- the date you fail to submit proof of continuing disability;
- after 12 months of payments if you are considered to reside outside the United States or Canada. You will be considered to reside outside these countries when you have been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive months of benefits;
- the date your disability earnings exceed the amount allowable under the plan;
- the date you die.

WHAT DISABILITIES ARE NOT COVERED UNDER YOUR PLAN?

Your plan does not cover any disabilities caused by, contributed to by, or resulting from your:

- **occupational sickness or injury**, however, Unum will cover disabilities due to occupational sicknesses or injuries for partners or sole proprietors who cannot be covered by a workers' compensation law.
- intentionally self-inflicted injuries.
- active participation in a riot.
- loss of a professional license, occupational license or certification.
- commission of a crime for which you have been convicted.

Your plan will not cover a disability due to war, declared or undeclared, or any act of war.

Unum will not pay a benefit for any period of disability during which you are incarcerated.

WHAT HAPPENS IF YOU RETURN TO WORK FULL TIME AND YOUR DISABILITY OCCURS AGAIN?

1. If your current disability is related to or due to the same cause(s) as your prior disability for which Unum made a payment:

Unum will treat your current disability as part of your prior claim and you will not have to complete another elimination period when you are performing any occupation for your Employer on a full time basis for 30 consecutive days or less.

If you return to work on the 31st day, your current disability will be treated as a new claim. The new claim will be subject to all of the provisions of this plan and you will be required to satisfy a new elimination period.

2. If your current disability is unrelated to your prior disability for which Unum made a payment:

Unum will treat your current disability as part of your prior claim and you will not have to complete another elimination period when you are performing any occupation for your Employer on a full time basis for less than 1 full day.

Your disability, as outlined above, will be subject to the same terms of the plan as your prior claim.

If you do not satisfy Item 1 or 2 above, your disability will be treated as a new claim and will be subject to all of the policy provisions.

If you become entitled to payments under any other group short term disability plan, you will not be eligible for payments under the Unum plan.

SHORT TERM DISABILITY

OTHER BENEFIT FEATURES

HOW CAN UNUM'S REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM HELP YOU RETURN TO WORK?

Unum has a vocational Rehabilitation and Return to Work Assistance program available to assist you in returning to work. We will determine whether you are eligible for this program. In order to be eligible for rehabilitation services and benefits, you must be medically able to engage in a return to work program.

Your claim file will be reviewed by one of Unum's rehabilitation professionals to determine if a rehabilitation program might help you return to gainful employment. As your file is reviewed, medical and vocational information will be analyzed to determine an appropriate return to work program.

We will make the final determination of your eligibility for participation in the program.

We will provide you with a written Rehabilitation and Return to Work Assistance plan developed specifically for you.

The rehabilitation program may include, but is not limited to, the following services and benefits:

- coordination with your Employer to assist you to return to work;
- adaptive equipment or job accommodations to allow you to work;
- vocational evaluation to determine how your disability may impact your employment options;
- job placement services;
- resume preparation;
- job seeking skills training; or
- education and retraining expenses for a new occupation.

WHAT ADDITIONAL BENEFITS WILL UNUM PAY WHILE YOU PARTICIPATE IN A REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM?

We will pay an additional disability benefit of 10% of your gross disability payment to a maximum benefit of \$250 per week.

This benefit is not subject to policy provisions which would otherwise increase or reduce the benefit amount such as Deductible Sources of Income.

In addition, we will make weekly payments to you for 3 weeks following the date your disability ends if we determine you are no longer disabled while:

- you are participating in the Rehabilitation and Return to Work Assistance program; and
- you are not able to find employment.

This benefit payment may be paid in a lump sum.

WHEN WILL REHABILITATION AND RETURN TO WORK ASSISTANCE BENEFITS END?

Benefits for the Rehabilitation and Return to Work Assistance program will end on the earliest of the following dates:

- the date Unum determines that you are no longer eligible to participate in Unum's Rehabilitation and Return to Work Assistance program; or
- any other date on which weekly payments would stop in accordance with this plan.

LONG TERM DISABILITY

BENEFIT INFORMATION

HOW DOES UNUM DEFINE DISABILITY FOR THE FIRST 36 MONTHS OF PAYMENTS?

You are disabled when Unum determines that due to your **sickness** or **injury**:

1. You are unable to perform the **material and substantial duties** of your **regular occupation** and are not working in your regular occupation or any other occupation
- or,
2. You are unable to perform one or more of the material and substantial duties of your regular occupation, and you have a 20% or more loss in your **indexed monthly earnings** while working in your regular occupation or in any occupation.

You must be under the regular care of a physician unless regular care:

- will not improve your disabling condition(s); or
- will not prevent a worsening of your disabling condition.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

HOW DOES UNUM DEFINE DISABILITY AFTER 36 MONTHS OF PAYMENTS?

You are disabled when Unum determines that due to the same sickness or injury:

You are unable to perform the duties of any **gainful occupation** for which you are reasonably fitted by education, training or experience.

You must be under the regular care of a physician unless regular care:

- will not improve your disabling condition(s); or
- will not prevent a worsening of your disabling condition.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

WHAT INCOME IS NOT INCLUDED WHEN DETERMINING IF YOU MEET THE INCOME LOSS REQUIREMENT IN THE DEFINITION OF DISABILITY?

When calculating any loss in your indexed monthly earnings Unum will not include as earnings, if received during your elimination period and for a maximum of 12 consecutive months thereafter, the following, but not limited to:

- commissions, bonuses, deferred income payments, K-1 earnings, sick pay/PTO, partnership or proprietorship earnings or similar earnings that you receive if such earnings were generated as a result of work you performed prior to becoming disabled; and

- payments from your Employer that do not represent payment for work performed during your period of disability.

However, all the above listed income will be taken into account in determining and calculating any benefit you might be due, whether you are working or not.

CAN YOU RECEIVE PAYMENTS IF YOU ARE NO LONGER DISABLED FROM YOUR REGULAR OCCUPATION AND HAVE A LOSS OF INDEXED MONTHLY EARNINGS? (Recovery Payments)

If you are working and performing the material and substantial duties of your regular occupation and incur a 20% or greater loss of indexed monthly earnings immediately following the period for which disability benefits were paid under this policy and that loss of earnings is due to the prior sickness or injury for which disability benefits were paid, recovery payments will be paid to the earliest of:

- the date your disability earnings exceed 80% of your indexed monthly earnings;
- the date 12 months of recovery payments have been made to you; or
- the maximum period of payment.

You are not required to be under regular care, as recovery payments are made for the effects of a past sickness or injury.

Payments will be made according to "***HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED AND HAVE DISABILITY EARNINGS?***" and "***HOW DO WE PROTECT YOU IF YOUR DISABILITY EARNINGS FLUCTUATE?***".

A maximum of 12 months of recovery payments will be made for each disability claim, which may include a period of recurrent disability, when these conditions apply.

HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO RECEIVE BENEFITS?

You must be continuously disabled through your **elimination period**. Unum will treat your disability as continuous if your disability stops for 30 days or less during the elimination period. The days that you are not disabled will not count toward your elimination period.

Your elimination period is the later of:

- 90 days; or
- the date your insured Short Term Disability payments end, if applicable.

You are not required to have a 20% or more loss in your indexed monthly earnings due to the same injury or sickness to be considered disabled during the elimination period.

CAN YOU SATISFY YOUR ELIMINATION PERIOD IF YOU ARE WORKING?

Yes. If you are working while you are disabled, the days you are disabled will count toward your elimination period.

WHEN WILL YOU BEGIN TO RECEIVE PAYMENTS?

You will begin to receive payments when we approve your claim, providing the elimination period has been met and you are disabled. We will send you a payment monthly for any period for which Unum is liable.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED?

We will follow this process to figure your payment:

1. Multiply your monthly earnings by 60%.
2. The maximum **monthly benefit** is \$20,000.
3. Compare the answer from Item 1 with the maximum monthly benefit. The lesser of these two amounts is your **gross disability payment**.
4. Subtract from your gross disability payment any **deductible sources of income**.

The amount figured in Item 4 is your **monthly payment**.

Your monthly payment may be reduced based on your disability earnings.

If, at any time after the elimination period, you are disabled for less than 1 month, we will send you 1/30 of your monthly payment for each day of disability and 1/30 of any additional benefits for each day of disability.

WILL UNUM EVER PAY MORE THAN 100% OF MONTHLY EARNINGS?

The total benefit payable to you on a monthly basis (including all benefits provided under this plan) will not exceed 100% of your monthly earnings. However, if you are participating in Unum's Rehabilitation and Return to Work Assistance program, the total benefit payable to you on a monthly basis (including all benefits provided under this plan) will not exceed 110% of your monthly earnings.

WHAT ARE YOUR MONTHLY EARNINGS?

"Monthly Earnings" means your gross monthly income from your Employer, not including shift differential, in effect just prior to your date of disability. It includes your total income before taxes. It is prior to any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. It includes income actually received from commissions and bonuses but does not include overtime pay, any other extra compensation or income received from sources other than your Employer.

Bonuses and Commissions will be averaged for the lesser of:

- a. the 2 calendar year's just prior to the date disability begins; or
- b. the period of actual employment, if not employed in the 2 prior calendar years.

WHAT WILL WE USE FOR MONTHLY EARNINGS IF YOU BECOME DISABLED DURING A COVERED LAYOFF OR LEAVE OF ABSENCE?

If you become disabled while you are on a covered layoff or leave of absence, we will use your monthly earnings from your Employer in effect just prior to the date your absence begins.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED AND HAVE DISABILITY EARNINGS?

We will send you the monthly payment if you are disabled and your monthly **disability earnings** are less than 20% of your indexed monthly earnings, due to the same sickness or injury.

If you are disabled and your monthly disability earnings are 20% or more of your indexed monthly earnings, due to the same sickness or injury, Unum will figure your payment as follows:

During the first 12 months of payments while receiving disability earnings, your monthly payment will not be reduced as long as disability earnings plus the gross disability payment does not exceed 100% of indexed monthly earnings.

1. Add your monthly disability earnings to your gross disability payment.
2. Compare the answer in Item 1 to your indexed monthly earnings.

If the answer from Item 1 is less than or equal to 100% of your indexed monthly earnings, Unum will not further reduce your monthly payment.

If the answer from Item 1 is more than 100% of your indexed monthly earnings, Unum will subtract the amount over 100% from your monthly payment.

If subtracting the amount over 100% from your monthly payment results in a payment less than the greater of \$100 or 15% of your gross disability payment, Unum will pay the \$100 or 15% of your gross disability payment.

After 12 months of payments while receiving disability earnings, you will receive payments based on the percentage of income you are losing due to your disability.

1. Subtract your disability earnings from your indexed monthly earnings.
2. Divide the answer in Item 1 by your indexed monthly earnings. This is your percentage of lost earnings.
3. Multiply your monthly payment by the answer in Item 2.

This is the amount Unum will pay you each month.

If the benefit calculation results in a payment that is less than the greater of \$100 or 15% of your gross disability payment, Unum will pay the minimum benefit of the greater of \$100 or 15% of your gross disability payment.

As part of your proof of disability earnings, we can require that you send us appropriate financial records, which may include income tax returns, which we believe are necessary to substantiate your income.

After the elimination period, if you are disabled for less than 1 month, we will send you 1/30 of your payment for each day of disability.

HOW DO WE PROTECT YOU IF YOUR DISABILITY EARNINGS FLUCTUATE?

If your disability earnings have fluctuated from month to month, Unum may determine your benefit eligibility based on the average of your disability earnings over the most recent 3 months.

WHAT ARE DEDUCTIBLE SOURCES OF INCOME?

Unum will subtract from your gross disability payment the following deductible sources of income:

1. The amount that you receive or are entitled to receive under:
 - a workers' compensation law.
 - an occupational disease law.
 - any other **act** or **law** with similar intent.
2. The amount that you receive or are entitled to receive as disability income or disability retirement payments under any:
 - state compulsory benefit **act** or **law**.
 - group plan sponsored by your Employer.
 - other group insurance plan.
 - **governmental retirement system**.
3. The amount that you, your spouse and your children receive or are entitled to receive as disability payments because of your disability under:
 - the United States Social Security Act.
 - the Canada Pension **Plan**.
 - the Quebec Pension Plan.
 - any similar plan or act.
4. The amount that you receive as retirement payments or the amount your spouse and children receive as retirement payments because you are receiving retirement payments under:
 - the United States Social Security Act.
 - the Canada Pension Plan.
 - the Quebec Pension Plan.
 - any similar plan or act.
5. The amount that you receive as retirement payments under any governmental retirement system. Retirement payments do not include payments made at the later of age 62 or normal retirement age under your Employer's retirement plan which are attributable to contributions you made on a post tax basis to the system.

Regardless of how retirement payments are distributed, Unum will consider payments attributable to your post tax contributions to be distributed throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as

defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

6. The amount that you:

- receive as disability payments under your Employer's **retirement plan**.
- voluntarily elect to receive as retirement payments under your Employer's retirement plan.
- receive as retirement payments when you reach the later of age 62 or normal retirement age, as defined in your Employer's retirement plan.

Disability payments under a retirement plan will be those benefits which are paid due to disability and do not reduce the retirement benefit which would have been paid if the disability had not occurred.

Retirement payments will be those benefits which are based on your Employer's contribution to the retirement plan. Disability benefits which reduce the retirement benefit under the plan will also be considered as a retirement benefit.

Regardless of how the retirement funds from the retirement plan are distributed, Unum will consider your and your Employer's contributions to be distributed simultaneously throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

7. The amount that you receive under Title 46, United States Code Section 688 (The Jones Act).

With the exception of retirement payments, Unum will only subtract deductible sources of income which are payable as a result of the same disability.

We will not reduce your payment by your Social Security retirement income if your disability begins after age 65 and you were already receiving Social Security retirement payments.

WHAT ARE NOT DEDUCTIBLE SOURCES OF INCOME?

Unum will not subtract from your gross disability payment income you receive from, but not limited to, the following:

- 401(k) plans
- profit sharing plans
- thrift plans
- tax sheltered annuities
- stock ownership plans
- non-qualified plans of deferred compensation
- pension plans for partners
- military pension and disability income plans
- credit disability insurance
- franchise disability income plans
- a retirement plan from another Employer

- individual retirement accounts (IRA)
- individual disability income plans
- no fault motor vehicle plans
- **salary continuation** or **accumulated sick leave** plans

***WHAT IF SUBTRACTING DISABILITY EARNINGS AND/OR DEDUCTIBLE SOURCES OF INCOME RESULTS IN A BENEFIT LESS THAN \$100?
(Minimum Monthly Benefit)***

The minimum monthly payment is the greater of:

- \$100; or
- 15% of your gross disability payment.

Unum may apply this amount toward an outstanding overpayment.

WHAT HAPPENS WHEN YOU RECEIVE A COST OF LIVING INCREASE FROM DEDUCTIBLE SOURCES OF INCOME?

Once Unum has subtracted any deductible source of income from your gross disability payment, Unum will not further reduce your payment due to a cost of living increase from that source.

WHAT IF UNUM DETERMINES YOU MAY QUALIFY FOR DEDUCTIBLE INCOME BENEFITS?

When we determine that you may qualify for benefits under Item(s) 1, 2 and 3 in the deductible sources of income section, we will estimate your entitlement to these benefits. We can reduce your payment by the estimated amounts if such benefits:

- have not been awarded; and
- have not been denied; or
- have been denied and the denial is being appealed.

Your Long Term Disability payment will NOT be reduced by the estimated amount if you:

- apply for the disability payments under Item(s) 1, 2 and 3 in the deductible sources of income section and appeal your denial to all administrative levels Unum feels are necessary; and
- sign Unum's payment option form. This form states that you promise to pay us any overpayment caused by an award.

If your payment has been reduced by an estimated amount, your payment will be adjusted when we receive proof:

- of the amount awarded; or
- that benefits have been denied and all appeals Unum feels are necessary have been completed. In this case, a lump sum refund of the estimated amount will be made to you.

If you receive a lump sum payment from any deductible sources of income, the lump sum will be pro-rated on a monthly basis over the time period for which the sum was given. If no time period is stated, we will use a reasonable one.

HOW LONG WILL UNUM CONTINUE TO SEND YOU PAYMENTS?

Unum will send you a payment each month up to the **maximum period of payment**. Your maximum period of payment is based on your age at disability as follows:

<u>Age at Disability</u>	<u>Maximum Period of Payment</u>
Less than Age 62	To Social Security Normal Retirement Age
Age 62	60 months

WHEN WILL PAYMENTS STOP?

We will stop sending you payments and your claim will end on the earliest of the following:

- during the first 36 months of payments, when you are able to work in your regular occupation on a **part-time basis** and you do not;
- after 36 months of payments, when you are able to work in any gainful occupation on a part-time basis and you do not;
- the end of the maximum period of payment;
- the date you are no longer disabled under the terms of the plan, unless you are eligible to receive benefits under Unum's Rehabilitation and Return to Work Assistance program or eligible to receive Recovery Payments;
- the date you fail to submit proof of continuing disability;
- after 12 months of payments if you are considered to reside outside the United States or Canada. You will be considered to reside outside these countries when you have been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive months of benefits;
- the date you die.

WHAT DISABILITIES HAVE A LIMITED PAY PERIOD UNDER YOUR PLAN?

The lifetime cumulative maximum benefit period for all disabilities due to **mental illness** and disabilities based primarily on **self-reported symptoms** is 24 months. Only 24 months of benefits will be paid for any combination of such disabilities even if the disabilities:

- are not continuous; and/or
- are not related.

However, Unum will send you payments beyond the 24 month period if you meet one of these conditions:

1. If you are confined to a **hospital or institution** at the end of the 24 month period, Unum will continue to send you payments during your confinement.

If you are still disabled when you are discharged, Unum will send you payments for a recovery period of up to 90 days.

If you become reconfined at any time during the recovery period and remain confined for at least 14 days in a row, Unum will send payments during that additional confinement and for one additional recovery period up to 90 more days.

2. If you are not confined to a hospital or institution but become confined for a period of at least 14 days within 90 days after the 24 month period for which you have received payments, Unum will send payments during the length of the confinement.

Under no circumstances will Unum pay beyond the maximum period of payment as indicated in the **BENEFITS AT A GLANCE** section of your policy.

Unum will not apply the mental illness limitation to dementia if it is a result of:

- stroke;
- trauma;
- viral infection;
- Alzheimer's disease; or
- other conditions not listed which are not usually treated by a mental health provider or other qualified provider using psychotherapy, psychotropic drugs, or other similar methods of treatment.

WHAT DISABILITIES ARE NOT COVERED UNDER YOUR PLAN?

Your plan does not cover any disabilities caused by, contributed to by, or resulting from your:

- intentionally self-inflicted injuries.
- active participation in a riot.
- loss of a professional license, occupational license or certification.
- commission of a crime for which you have been convicted.
- pre-existing condition.

Your plan will not cover a disability due to war, declared or undeclared, or any act of war.

Unum will not pay a benefit for any period of disability during which you are incarcerated.

WHAT IS A PRE-EXISTING CONDITION?

You have a pre-existing condition if:

- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 3 months just prior to your effective date of coverage; and
- the disability begins in the first 12 months after your effective date of coverage.

WHAT HAPPENS IF YOU RETURN TO WORK FULL TIME WITH THE POLICYHOLDER AND YOUR DISABILITY OCCURS AGAIN?

If you have a **recurrent disability**, Unum will treat your disability as part of your prior claim and you will not have to complete another elimination period if:

- you were continuously insured under the plan for the period between the end of your prior claim and your recurrent disability; and
- your recurrent disability occurs within 6 months from the end of your prior claim.

Your recurrent disability will be subject to the same terms of the plan as your prior claim and will be treated as a continuation of that disability.

Any disability which occurs after 6 months from the date your prior claim ended will be treated as a new claim. The new claim will be subject to all of the policy provisions, including the elimination period.

If you become entitled to payments under any other group long term disability plan, you will not be eligible for payments under the Unum plan.

LONG TERM DISABILITY

- your disability had continued for 180 or more consecutive days; and
- you were receiving or were entitled to receive payments under the plan.

If you have no eligible survivors, payment will be made to your estate, unless there is none. In this case, no payment will be made.

However, we will first apply the survivor benefit to any overpayment which may exist on your claim.

You may receive your 3 month survivor benefit prior to your death if you have been diagnosed as terminally ill.

We will pay you a lump sum amount equal to 3 months of your gross disability payment if:

- you have been diagnosed with a terminal illness or condition;

Your right to exercise this option and receive payment is subject to the following:

This benefit is available to you on a voluntary basis and will only be payable once.

If you elect to receive this benefit prior to your death, no 3 month survivor benefit will be payable upon your death.

HOW CAN UNUM'S REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM HELP YOU RETURN TO WORK?

Unum has a vocational Rehabilitation and Return to Work Assistance program available to assist you in returning to work. We will determine whether you are eligible for this program. In order to be eligible for rehabilitation services and benefits, you must be medically able to engage in a return to work program.

Your claim file will be reviewed by one of Unum's rehabilitation professionals to determine if a rehabilitation program might help you return to gainful employment. As your file is reviewed, medical and vocational information will be analyzed to determine an appropriate return to work program.

We will make the final determination of your eligibility for participation in the program.

We will provide you with a written Rehabilitation and Return to Work Assistance plan developed specifically for you.

The rehabilitation program may include, but is not limited to, the following services and benefits:

- coordination with your Employer to assist you to return to work;

This benefit is not subject to policy provisions which would otherwise increase or reduce the benefit amount such as Deductible Sources of Income. However, the Total Benefit Cap will apply.

In addition, we will make monthly payments to you for 3 months following the date your disability ends if we determine you are no longer disabled while:

- you are participating in the Rehabilitation and Return to Work Assistance program; and

This benefit payment may be paid in a lump sum.

EMPLOYER'S RIGHT TO REQUEST POLICY CHANGE

The Employer can request a policy change. Only an officer or registrar of Unum can approve a change. The change must be in writing and endorsed on or attached to the policy.

MODIFYING OR CANCELLING THE POLICY OR A PLAN UNDER THE POLICY

The policy or a plan under the policy can be cancelled:

- by Unum; or
- by the Employer.

Unum may cancel or modify the policy or a plan if:

- there is less than 75% participation of those eligible employees who pay all or part of their premium for a plan; or
- there is less than 100% participation of those eligible employees for an Employer paid plan;
- fewer than 10 employees are insured under a plan;
- the premium is not paid in accordance with the provisions of the policy that specify whether the Employer, the employee, or both, pay(s) the premiums;
- the Employer does not promptly report to Unum the names of any employees who are added or deleted from the eligible group;
- Unum determines that there is a significant change, in the size, occupation or age of the eligible group as a result of a corporate transaction such as a merger, divestiture, acquisition, sale, or reorganization of the Employer and/or its employees; or
- the Employer fails to pay any portion of the premium within the 31 day grace period.

Unum may also cancel or modify the plan after the first anniversary if:

- the Employer does not promptly provide Unum with information that is reasonably required;
- the Employer fails to perform any of its obligations that relate to the policy.

If Unum cancels or modifies the policy or a plan, for reasons other than the Employer's failure to pay premium, a written notice will be delivered to the Employer at least 31 days prior to the cancellation date or modification date. The Employer may cancel the policy or a plan if the modifications are unacceptable.

If any portion of the premium is not paid during the grace period, Unum will either cancel or modify the policy or plan automatically at the end of the grace period. The Employer is liable for premium for coverage during the grace period. The Employer must pay Unum all premium due for the full period each plan is in force.

The Employer may cancel the policy or a plan by written notice delivered to Unum at least 31 days prior to the cancellation date. When both the Employer and Unum agree, the policy or a plan can be cancelled on an earlier date. If Unum or the Employer cancels the policy or a plan, coverage will end at 12:00 midnight on the last day of coverage.

If the policy or a plan is cancelled, the cancellation will not affect a payable claim.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative), your attending physician and your Employer. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIMS PROCEDURES

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30 day extension period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your claim without that information.

If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;

- describe additional material or information necessary to complete the claim and why such information is necessary;
- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures and the right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal; and
- disclose any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or state that such information will be provided free of charge upon request).

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEAL PROCEDURES

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If Unum determines that special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). Unum will notify you in writing if an additional 45 day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45 day extension of the appeal period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your appeal without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable U.S. Department of Labor regulations. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be conducted by Unum and will be made by a person different from the person who made the initial determination and such person will not be the original decision maker's subordinate. In the case of a claim denied on the grounds of a medical judgment, Unum will consult with a health professional with appropriate training and experience. The health care professional who is consulted on appeal will not be the individual who was consulted during the initial determination or a subordinate. If the advice of a medical or vocational expert was obtained by the Plan in connection with the denial of your claim, Unum will provide you with the names of each such expert, regardless of whether the advice was relied upon.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;

- a reference to the specific Plan provision(s) on which the determination is based;
- a statement disclosing any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or a statement that such information will be provided free of charge upon request);
- a statement describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the decision;
- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and
- the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency".

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

YOUR RIGHTS UNDER ERISA

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, all documents governing the Plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so

prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your Employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits that is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, if, for example, it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

OTHER RIGHTS

Unum, for itself and as claims fiduciary for the Plan, is entitled to legal and equitable relief to enforce its right to recover any benefit overpayments caused by your receipt of disability earnings or deductible sources of income from a third party. This right of recovery is enforceable even if the amount you receive from the third party is less than the actual loss suffered by you but will not exceed the benefits paid you under the policy. Unum and the Plan have an equitable lien over such sources of income until any benefit overpayments have been recovered in full.

**Addendum to the "Additional Summary Plan Description Information"
included with your certificate of coverage or policy
and effective for claims filed on or after April 1, 2018.**

The regulations governing ERISA disability claims and appeals have been amended. The amended regulations apply to disability claims filed on or after April 1, 2018. To the extent the Additional Summary Plan Description Information included with your certificate of coverage or policy conflicts with these new requirements, these new rights and procedures will apply.

These new rights and procedures include:

Any cancellation or discontinuance of your disability coverage that has a retroactive effect will be treated as an adverse benefit determination, except in the case of failure to timely pay required premiums or contributions toward the cost of coverage.

If you live in a county with a significant population of non-English speaking persons, the plan will provide, in the non-English language(s), a statement of how to access oral and written language services in those languages.

For any adverse benefit determination, you will be provided with an explanation of the basis for disagreeing or not following the views of: (1) health care professionals who have treated you or vocational professionals who have evaluated you; (2) the advice of medical or vocational professionals obtained on behalf of the plan; and (3) any disability determination made by the Social Security Administration regarding you and presented to the plan by you.

For any adverse benefit determination, you will be given either the specific internal rules, guidelines, protocols, standards or other similar criteria of the plan relied upon in making that decision, or a statement that such rules, etc. do not exist.

Prior to a final decision being made on an appeal, you will have the opportunity to review and respond to any new or additional rationale or evidence considered, relied upon, or generated by the plan in connection with your claim.

If an adverse benefit determination is upheld on appeal, you will be given notice of any applicable contractual limitations period that applies to your right to bring legal proceedings and the calendar date on which that period expires.

Should the plan fail to establish or follow ERISA required disability claims procedures, you may be entitled to pursue legal remedies under section 502(a) of the Act without exhausting your administrative remedies, as more completely set forth in section 503-1(l).

NOTICE OF PROTECTION PROVIDED BY MISSOURI LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a *brief summary* of the Missouri Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Missouri law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Missouri law, with funding from assessments paid by other insurance companies. (For purposes of this notice, the terms "insurance company" and "insurer" include Health maintenance organization (HMOs).)

The basic protections provided by the Association are as follows:

- Life Insurance
 - \$300,000 in death benefits, but not more than \$100,000 in net cash surrender and net cash withdrawal values.
- Health Insurance
 - \$500,000 for health benefit plans
 - \$300,000 in disability insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is as follows:

- \$300,000 in aggregate for all types of coverage listed above, with the exception of health benefit plans.
- \$500,000 in aggregate for health benefit plans.
- \$5,000,000 to one policy owner of multiple nongroup policies of life insurance, whether the policy owner is an individual, firm, corporation, or other person, and whether the persons insured are officers, managers, employees, or other persons

"Health benefit plan" is defined in section 376.718, RSMo.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Missouri law.

Benefits provided by a long-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the basic life insurance policy or annuity contract to which it relates.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.mo-iga.org, or contact:
