Anthem Dental Plan – Passive PPO

- Same plan design whether you choose network or non-network providers
- **No change** for members using NON-participating providers
- Members using Anthem Dental Blue Network Providers will:
 - Will receive the benefit of discounted fees for covered dental services due to network contract with Anthem
 - Will NOT be subject to provider balance billing if the dentist's charges exceed the Anthem allowed amount
- The Anthem Dental Blue Complete network has three designations:
 - **Dental Network 100** offering the deepest fee discounts typically 25% to 35% from billed charges
 - **Dental Network 200** offering moderate levels of fee discounts typically 15% to 25% from billed charges
 - **Dental Network 300** offering discounts that are typically 10% to 15% from billed charges
 - Anthem's unique management of dental PPO networks uses a blend of three different fee schedules which allows us to attract the widest range of dentists possible. This unique strategy is what makes Anthem successful in target contracting, reaching even higher access levels.
