PRIMARY INSURED

Eligibility

An Employee is eligible to be covered under this Plan if he is Actively at Work for the Policyholder and included in the class that is eligible for coverage, as shown on the Master Application.

If this coverage is offered to members of a union, references to “Employee” throughout the Plan documents shall be considered to refer to union members who are Actively at Work for their employer.

Insureds are defined as those who might be eligible for coverage under this Plan in the following categories:

- **Employee Coverage** – We insure only the Employee. The Employee is the *Primary Insured* under this Plan.
- **Employee and Spouse Coverage** – We insure the Employee and Spouse.
- **Employee and Children Coverage** – We insure the Employee and any Dependent Children.
- **Family Coverage** – We insure the Employee, Spouse, and any Dependent Children.

Employees should refer to *Type of Coverage* in their Certificate Schedule to determine who is covered under the Certificate.

Details for adding Insureds to Plan coverage are outlined in the Effective Date provision and the Dependent Coverage – Effective Date provision.

Effective Date

The Plan’s Effective Date is shown on the Policy Schedule. This Plan becomes effective on the Policy Effective Date at 12:01 a.m., as determined by the Policyholder’s address.

An eligible Employee must enroll in this Plan and agree to pay the required premiums for coverage to become effective. He must enroll within 31 days of the date he first becomes eligible for coverage. *The first premium must have been paid for coverage to become effective.*

The Employee’s Effective Date is the date his insurance takes effect. After we receive and approve the Application, that date is either:

- The date shown on the Certificate Schedule if the Employee is Actively at Work on that date, or
- The date the Employee returns to an Actively-at-Work status if he was not Actively at Work on the date shown on the Certificate Schedule.

DEPENDENT COVERAGE

Eligibility

Dependents may be eligible for coverage under this Plan. **Employees should refer to the Type of Coverage on their Certificate Schedule to determine Dependent eligibility.** A *Dependent* is the Spouse of an Employee or the Dependent Child of an Employee. An eligible Spouse must be at least age 18.

Dependent Child or Dependent Children means an Employee’s or an Employee’s Spouse’s natural children, step-children, grandchildren who are in the Employee’s legal custody and residing with the Employee, foster children, children subject to legal guardianship, legally adopted children, or Children Placed for Adoption, who are younger than age 26. However, we will continue coverage for Dependent Children insured under the Plan after the age of 26 if they are incapable of self-sustaining employment due to mental or physical handicap, and are chiefly dependent on a parent for support and maintenance. The Employee or the Employee’s Spouse must furnish proof of this incapacity and dependency to the Company within 31 days following the Dependent Child’s 26th birthday.

Children Placed for Adoption are children for whom the Employee has entered a decree of adoption or for whom he has initiated adoption proceedings. A decree of adoption must be entered within one year from the date proceedings were initiated, unless extended by order of the court. The Employee must continue to have custody pursuant to the decree of the court.

Effective Date

- A Dependent may be added to the Plan after the Employee's Effective Date within 31 days after a Life Event or during an approved enrollment period.
- If Employee and Children **or** Family Coverage is already in force, no additional notice or premium is required to add another Dependent Child.
- If Dependent Spouse or Dependent Child coverage is **not** in force, the Employee must complete an Application to add a Dependent to the Plan. The Company will assign a Dependent Effective Date for a Dependent's coverage after approving the Application. For Dependent coverage to become effective, the premium for the Dependent must be included in the premium payment. Spouse and Dependent Child coverage will begin on the date of the Life Event if notice was provided within 31 days after the Life Event.
- If Dependent Child coverage is not already in force, newborn children are automatically covered from the moment of birth for 60 days. Newly adopted children are automatically covered from the earlier of a) placement for adoption, b) the date of entry of an order granting custody of the child for the purposes of adoption, or c) the effective date of adoption, for 60 days. To extend coverage beyond 60 days with no gap in coverage, the Employee must apply to the Company within the 60-day time period following the child's birth or adoption. No premium is due for the first 60 days of newborn/newly adopted coverage.

Dislocation Benefit

Dislocation refers to a completely separated joint. If a joint is dislocated in a Covered Accident, and it is diagnosed and treated by a Doctor within 90 days after the accident, we will pay the amount shown in the Benefit Schedule.

If the dislocation requires open reduction, we will pay 200% of the amount shown in the Benefit Schedule.

We will pay benefits only for the first dislocation of a joint. We will not pay for recurring dislocations of the same joint. If the Insured dislocated a joint before the Effective Date of his Certificate and then dislocates the same joint again, it will not be covered by this Plan.

Multiple dislocations refer to more than one dislocation requiring either open or closed reduction in any one Covered Accident. For each covered dislocation, we will pay the amounts shown in the Benefit Schedule. However, we will pay no more than 200% of the benefit amount for the dislocated joint that has the higher dollar amount.

Partial dislocation is one in which the joint is not completely separated. If a Doctor diagnoses and treats the Accidental Injury as a partial dislocation, we will pay 25% of the amount shown in the Benefit Schedule for the affected joint. (*Partial dislocation* includes subluxation.)

Laceration Benefit

We will pay the amount shown in the Benefit Schedule if an Insured receives a laceration in a Covered Accident. The laceration must be repaired with stitches by a Doctor within 168 hours after the accident for a benefit to be payable. (*Stitches* can also include liquid skin adhesive.) The amount paid will be based on the length of the laceration. (Receiving stitches to repair a laceration is not payable under the Outpatient Surgery and Anesthesia Benefit or Inpatient Surgery and Anesthesia Benefit, if any.)

The Insured may receive Treatment for a laceration that does not require stitches. However, if that laceration is treated by a Doctor within 168 hours after the Covered Accident, we will pay the amount shown in the Benefit Schedule.

If the Insured suffers multiple lacerations in a Covered Accident, and the lacerations are repaired with stitches by a Doctor within 168 hours after the accident, we will pay this benefit based on the largest single laceration that requires stitches, as shown in the Benefit Schedule. However, we will pay no more than 200% of the benefit amount for the laceration that has the higher dollar amount.

Multiple fractures refer to more than one fracture requiring either open or closed reduction. If these fractures occur in any one Covered Accident, we will pay the appropriate amounts shown in the Benefit Schedule for each fracture. However, we will pay no more than 200% of the benefit amount for the bone fractured that has the highest dollar amount.

Chip fracture refers to a piece of bone that is completely broken off near a joint. If a Doctor diagnoses the fracture as a chip fracture, we will pay 25% of the amount shown in the Benefit Schedule for the affected bone.

Fracture does not include stress fractures, which are tiny cracks in a bone that can arise by the repetitive application of force, or from normal use of a weakened bone. Benefits are not payable for stress fractures.

Outpatient Surgery and Anesthesia Benefit

We will pay the daily benefit amount shown in the Benefit Schedule when, due to a Covered Accidental Injury, an Insured has an outpatient surgical procedure performed by a Doctor. "Surgical procedure" does not include laceration repair. If an outpatient surgical procedure is covered under another benefit in this Plan, we will pay the **higher** of that benefit amount **or** the Outpatient Surgery and Anesthesia Benefit. For a benefit to be payable, the surgery must be performed within one year after the Covered Accident.

This benefit is limited to the maximum number of payments per Covered Accident, per Insured, shown in the Benefit Schedule.

The surgery can be performed:

Use of such transportation must begin within six months after the Covered Accident date. The distance to the Hospital Treatment or diagnostic study must be greater than 100 miles from the Insured's residence.

This benefit is limited to the maximum number of payments per Covered Accident, per Insured, shown in the Benefit Schedule.

Coma Benefit

We will pay the amount shown in the Benefit Schedule if the Insured is in a Coma lasting 30 days or more as the result of a Covered Accident. For the purposes of this benefit, *Coma* means a profound state of unconsciousness caused by a Covered Accident.

This benefit is limited to the maximum number of payments per Covered Accident, per Insured, shown in the Benefit Schedule.

Hospitalization Category

Hospital Admission Benefit

We will pay this benefit when an Insured is admitted to a Hospital and confined as an inpatient because of a Covered Accidental Injury. To be eligible to receive this benefit, an Insured must be admitted to a Hospital within six months of the date of the Covered Accident.

We will pay the Hospital Admission Benefit amount shown in the Benefit Schedule. We will not pay benefits for confinement to an observation unit, or for emergency room Treatment or outpatient Treatment. We will pay this benefit once per period of Hospital Confinement.

This benefit is limited to the maximum number of payments per Covered Accident, per Insured, shown in the Benefit Schedule.

Hospital Confinement Benefit

We will pay the amount shown in the Benefit Schedule for each day that an Insured is confined to a Hospital as an inpatient as the result of a Covered Accidental Injury. To be eligible to receive this benefit, the Insured must be confined to a Hospital within six months of the date of the Covered Accident.

The length of time shown for Hospital Confinement in the Benefit Schedule is the maximum period for which an Insured can collect benefits for Hospital Confinements from Covered Accidental Injuries received in the same Covered Accident. This benefit is not payable for confinement to an observation unit or a Rehabilitation Facility.

If we pay benefits for confinement and the Insured becomes confined again within six months because of the same Accidental Injury, we will treat this confinement as the same period of confinement.

This benefit is payable for only one Hospital Confinement at a time, even if it is caused by more than one Covered Accidental Injury.

Hospital Intensive Care Benefit

If an Insured is confined in a Hospital Intensive Care Unit because of a Covered Accidental Injury, we will pay the daily benefit amount shown in the Benefit Schedule. Section 8 – Member Payment Responsibility

Premium Payments

Premiums should be paid to the Company at its Home Office in Columbia, South Carolina. The first premiums are due on the Plan's Effective Date. After that, premiums are due on the first day of each month that the Plan remains in effect.

Payment of any premium will not keep the Plan in force beyond the due date of the next premium, except as set forth in the Grace Period provision.

Grace Period

This Plan has a 31-day Grace Period. If a premium is not paid on or before its due date, the premium may be paid during the next 31 days. During the Grace Period, the Plan will stay in force, unless the Policyholder has given the Company written notice of its intention to discontinue the Plan. If the Plan is discontinued, the Plan's termination date will be the latest date for which premium has been paid.

Section 9 – Claims Procedure

Notice of Claim

The Insured must give written notice of claim:

- Within 60 days after a Covered Accidental Injury, or
- As soon as reasonably possible.

When we receive written Notice of Claim, we will send a claim form. If the Claimant does not receive the claim form within 15 days after the notice is sent, written Proof of Loss can be sent to us without waiting for the form. Notice must include the Employee's name and the Certificate number. Notice can be mailed to the Company at the following address:

P.O. Box 84075, Columbus, Georgia, 31993

Proof of Loss

Proof of Loss refers to documentation that supports a claim. (This information is often found in standardized medical documents, such as Hospital bills and operative reports. It can include a statement by the treating Doctor.) Proof of Loss establishes the nature and extent of the loss, the Company's obligation to pay the claim, and the Claimant's right to receive payment.

The Claimant must provide Proof of Loss to the Company at the following address:

P.O. Box 84075, Columbus, Georgia, 31993

Proof of Loss must be given to us within 90 days of the Covered Accidental Injury. Failure to give Proof of Loss within such time shall not invalidate or reduce any claim if such Proof of Loss is given as soon as reasonably possible. The Company will not accept Proof of Loss any later than one year and three months after the Covered Accidental Injury, except in the absence of the Claimant's legal mental capacity.

The Claimant will be responsible for the cost of obtaining a completed claim form. We may request additional Proof of Loss, such as records from Hospitals or Doctors. The Claimant will be responsible for the cost of obtaining these records.

We may require authorizations to obtain medical and psychiatric information as well as non-medical information, including personal financial information.

When we receive the claim and due Proof of Loss, we will review the Proof of Loss. If we approve the claim, we will pay the benefits subject to the terms of the Certificate.

Physical Examination and Autopsy

The Company may have an Insured examined as often as reasonably necessary while a claim is pending. In the case of death, the Company may also require an autopsy, unless prohibited by law. The Company will cover all costs for exams and/or autopsy.

Time of Payment of Claims

Benefits payable under the Certificate will be paid after we receive due Proof of Loss acceptable to us. We will pay, deny, or settle all clean claims* within 30 calendar days after receiving the appropriate information.

*Clean claims contain all information and/or documentation needed for processing. These claims do not require further information from the provider, the Employee, or the employer.

Payment of Claims

We will pay all benefits to the Employee unless otherwise assigned. For any benefits that remain unpaid at the time of death, we will pay those benefits in the following order:

- To any approved assignee,
- To the Employee's beneficiary,
- To the Employee's surviving Spouse,
- To the Employee's estate.

Unpaid Premium

When a claim is paid, we may deduct any premium due and unpaid from the claim payment.

Changing of Beneficiary

A change in beneficiary must be submitted in writing to our Home Office in a form acceptable to us and signed by the Employee. Unless otherwise specified by the Employee, a change in beneficiary will take effect on the date the notice of change is signed. We will not be liable for any action taken before notice is received and recorded at the Home Office.

Claim Review

If a claim is denied, the Employee will be given written notice of:

- The reason for the denial,
- The Plan provision that supports the denial, and
- His right to ask for a review of the claim.

Section 10 – General Policy Provisions

Entire Contract Changes

This insurance is provided under a contract of Group Accidental Injury Insurance with the Policyholder. The Entire Contract of Insurance is made up of:

- The Policy;
- The Certificates of Insurance;
- The Application of the Policyholder, a copy of which is attached to and made part of the Policy when issued; and
- Any Riders, Endorsements, or Amendments to the Policy or Certificate.

All statements (excluding fraudulent ones) that the Policyholder or an Insured has made in the Application will be considered representations, not warranties. The Company will not void insurance or reduce benefits as a result of statements made on the Application without sending Application copies.

Changes to the Plan:

- Will not be valid unless approved in writing by an officer of the Company,
- Must be noted on or attached to the Contract, and
- May not be made by any insurance agent or producer (nor can an agent or producer waive any Plan provisions).

Misstatement of Age

If an age has been misstated on the Application, the benefits will be those that the paid premium would have purchased at the correct age.

Time Limit on Certain Defenses

After two years from the Employee's Effective Date of coverage, the Company may not void coverage or deny a claim for any loss because of misstatements made on the Employee's Application. This does not apply to fraudulent misstatements.

Clerical Error

Clerical error by the Policyholder will not end coverage or continue terminated coverage. In the event of a clerical error, the Company will make a premium adjustment.

Individual Certificates

The Company will make available to the Policyholder a Certificate for Employees. The Certificate will set forth:

- The coverage,
- To whom benefits will be paid, and
- The rights and privileges under the Plan.

Required Information

The Policyholder will be responsible for furnishing all information and proofs that the Company may reasonably require with regard to the Plan.

Conformity with State Statutes

This Plan was issued on its Effective Date in the state noted on the Master Application. Any Plan provision that conflicts with that state's statutes is amended to conform to the minimum requirements of those statutes.

Section 11 – Termination/Nonrenewal/Continuation

Plan Termination

The **Company** has the right to cancel the Plan on any premium due date for the following reasons:

- The premium is not paid before the end of the Grace Period,
- The number of participating Employees is less than the number mutually agreed upon by the Company and the Policyholder,
- The number of participating Employees changes by 25% or more,
- The Policyholder fails to perform any of the obligations that relate to this Policy or that are required by applicable law,
- The Policyholder no longer offers coverage to a particular class of Employees,
- The Policyholder no longer serves a class of Employees who reside in a particular geographical area, or
- The Policyholder does not provide timely information that is reasonably required.

The **Policyholder** has the right to cancel the Plan on any premium due date.

- To do this, the Policyholder must give the Company at least 31 days' written notice.
- The Plan will end on the date in the written notice or the date the Company receives the notice, whichever is later.

All outstanding premiums are due upon Plan termination. If the Company receives premium payments after the Plan terminates, this will not reinstate the Plan.

The Policyholder has the sole responsibility of notifying Certificateholders in writing of the Plan's termination as soon as reasonably possible. If the Plan terminates, it—and all Certificates and Riders issued under the Plan—will terminate on the specified termination date. The termination occurs as of 12:01 a.m. at the Policyholder's address.

Termination of an Employee's Insurance

An Employee's insurance will terminate on whichever occurs first:

- The date the Company terminates the Plan.
- The 31st day after the premium due date (the last day of the Grace Period), if the premium has not been paid.
- The date he no longer belongs to an eligible class.

If an Insured's coverage terminates, we will provide benefits for valid claims that arose while his coverage was active.

DEPENDENT COVERAGE

Termination of Dependent Insurance

Dependent coverage will terminate on the earliest of the following:

- When the Certificate terminates,
- On the premium due date following the date we receive the Employee's written request to terminate Dependent coverage,
- When premiums are no longer paid for Dependent coverage (subject to the Grace Period),
- For Spouse coverage, when the Insured no longer meets the definition of Spouse because of annulment, divorce, or other reason, or
- For Dependent Child coverage, when the Child no longer qualifies as a Dependent because he reaches age 26 or other reason. (Dependent Children who reach age 26 will have coverage continued until the last day of the month in which they turn age 26.)

Successor Insured

If an Employee dies while covered under his Certificate and his Spouse is also insured under this Plan at the time of the Employee's death, then his surviving Spouse may elect to become the Primary Insured. This would include continuation of any Dependent Child Rider coverage that is in force at that time.

To become the Primary Insured and keep coverage in force, the surviving Spouse must:

- Notify the Company in writing within 31 days after the date of the Employee's death; and
- Pay the required premium to the Company no later than 31 days after the date of the Employee's death, and on each premium due date thereafter.

If the Certificate does not cover a surviving Spouse, the Certificate will terminate on the next premium due date following the Employee's death.

Section 12 – Appeals and Complaints

Appeals Procedure

Before filing any lawsuit—and no later than 60 days after notice of denial of a claim—the Employee, the Claimant, or an authorized representative of either must appeal any denial of benefits under the Plan by sending a written request for review of the denial to our Home Office.

Legal Action

The Employee may not take Legal Action against us for benefits under this Plan:

- Within 60 days after he has sent us written Proof of Loss, or
- More than three years from the time written proof is required to be given.

Section 13 – Information on Policy and Rate Changes

Premium Changes

Unless we have agreed in writing not to increase premiums, the premium may change:

- On the Group Policy Anniversary Date based on renewal underwriting. (The Group Policy Anniversary Date is shown on the Policy Schedule and falls on the same date each year thereafter.)
- Whenever the terms or conditions of the Plan are modified. The new premium rates will apply only to premiums due on or after the rate change takes effect.

We will provide the Policyholder a 31-day advance written notice of any change in premiums.

Section 14 – Definitions

Amendment to Policy and Certificate of Insurance for Group Accidental Injury

This Amendment is subject to all of the provisions of the Policy and Certificate to which it is attached. Additions or changes have been made to the Policy and Certificate and are indicated below.

EFFECTIVE DATE

If issued at the same time as the Certificate, this Amendment becomes effective at the same time as the Certificate. If issued after the Certificate, this Amendment will have a later Effective Date.

The definition of Dependent Child or Dependent Children is deleted and replaced with the following:

Dependent Child or *Dependent Children* means your or your Spouse's natural children, step-children, grandchildren who are in your legal custody and residing with you, foster children, children subject to legal guardianship, legally adopted children, or Children Placed for Adoption, who are younger than age 26. However, we will continue coverage for Dependent Children insured under the Plan after the age of 26 if they are incapable of self-sustaining employment due to mental or physical handicap, and are chiefly dependent on a parent for support and maintenance. You or your Spouse must furnish proof of this incapacity and dependency to the Company within 31 days following the Dependent Child's 26th birthday.

The insurance on any Dependent Child will terminate on the last day of the month in which the Dependent Child turns age 26; it is your responsibility to notify us in writing when coverage on a Dependent Child terminates. Termination will be without prejudice to any claim originating prior to the date of termination. Our acceptance of premium after such date will be considered as premium for only the remaining persons who qualify as Insureds under this Plan. When coverage on all Dependent Children terminates, you must notify the Company, in writing, and elect whether to continue this Plan on an Employee or Employee and Spouse Coverage basis. After such notice, we will arrange for the payment of the appropriate premium due, including returning any unearned premium.

Children Placed for Adoption are children for whom you have entered a decree of adoption or for whom you have initiated adoption proceedings. A decree of adoption must be entered within one year from the date proceedings were initiated, unless extended by order of the court. You must continue to have custody pursuant to the decree of the court.

CONTRACT

This Amendment is part of the Policy and Certificate and will terminate when the Policy or Certificate terminates.

The Employee may decrease, but not increase, the amount of his coverage, and the amount of the Employee's Spouse's coverage, if any.

TERMINATION

The Employee’s continued coverage, including any in-force Spouse or Dependent Child coverage, will end:

SUMMARY OF THE LIFE AND HEALTH INSURANCE PROTECTION ASSOCIATION ACT AND NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS

INTRODUCTION

Residents of Colorado who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Life and Health Insurance Protection Association. The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in Colorado and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Association is limited, however. As noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well managed and financially stable.

IMPORTANT DISCLAIMER

The Life and Health Insurance Protection Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require residency in Colorado. You should not rely on coverage by the Life and Health Insurance Protection Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the association to induce you to purchase any kind of insurance policy.

SUMMARY

The state law that provides for this safety-net coverage is called the Life and Health Insurance Protection Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Association.

Coverage. Generally, individuals will be protected by the Life and Health Insurance Protection Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they hold certificates under a group life or health insurance contract or annuity, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state. Certain parties to structured settlement annuity contracts may be entitled to coverage benefits as well based on defined circumstances.

Exclusions From Coverage. Persons holding such policies or contracts are not protected by this Association if:

- they are not residents of the State of Colorado, except under certain very specific circumstances;
- the insurer was not authorized or licensed to do business in Colorado at the time the policy or contract was issued;
- their policy was issued by a nonprofit hospital or health service corporation, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an

insurance exchange.

The Association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk;
- any policy of reinsurance (unless an assumption certificate was issued);
- plans of employers, associations or similar entities to the extent they are self-funded or uninsured (that is, not insured by an insurance company, even if an insurance company administers them);
- interest rate yields, crediting rate yields or other factors employed in calculating returns, including but not limited to indexes or other external references stated in the policy or contract, that exceed an average rate specified in the Association Act;
- dividends;
- experience rating credits;
- credits given in connection with the administration of a policy or contract;
- any unallocated annuity;
- annuity contracts or group annuity certificates used by nonprofit insurance companies to provide retirement benefits for nonprofit educational institutions and their employees;
- policies, contracts, certificates or subscriber agreements issued by a prepaid dental care plan;
- sickness and accident insurance when written by a property and casualty insurer as part of an automobile insurance contract;
- unallocated annuity contracts issued to an employee benefit plan protected under the federal Pension Benefit Guaranty Corporation;
- policies or contracts issued by an insurer which was insolvent or unable to fulfill its contractual obligations as of July 1, 1991, except for annuity contracts issued by a member insurer which was placed into liquidation between July 1, 1991, and August 31, 1991;
- policies or contracts covering persons who are not citizens of the United States;
- any kind of insurance or annuity, the benefits of which are exclusively payable or determined by a separate account required by the terms of such insurance policy or annuity maintained by the insurer or by a separate entity.

Limits On Amount Of Coverage. The act also limits the amount the Association is obligated to pay out. The Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, no matter how many policies or contracts were issued by the same company, even if such contracts provided different types of coverages, the Association will pay a maximum of:

- \$300,000 in net life insurance death benefits and no more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance;
- for health insurance benefits - \$100,000 for coverages not defined as disability, basic hospital, medical and surgical, or major medical insurance, including any net cash surrender and net cash withdrawal values; \$300,000 for disability insurance; or \$500,000 for basic hospital, medical and surgical, or major medical insurance;
- \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values; or

- with respect to each payee of a structured settlement annuity, \$250,000 in present value annuity benefits, in the aggregate, including net cash surrender and net cash withdrawal values; or
- \$300,000 for long term care benefits.

The Association shall not be liable to expend more than \$300,000 in the aggregate, with respect to any one life except that with respect to benefits for basic hospital, medical and surgical and major medical insurance, the aggregate liability of the Association shall not exceed \$500,000 with respect to any one individual.
